50 Dollars Reward.
RAN AWAY from the subscriber living in Prince George's County, on Sunday, the 29th June last, the following slave: a mulatto man, who calls himself BILL STEWART, born at Montgomery Court-house; was once the property of Honore Martin, and was sold to me. BILL is a likely well made fellow, about 21 years of age, 5 feet 10 inches high; his hands and feet are large. The evening before he absconded, he had his hair cut short; he took with him a variety of clothing: among other things, one blue coat and overalls; one light colored bear skin coat and overalls; two swansdown waistcoats; some coarse shirts; three fine Irish-linen shirts; three muslin neck cloths; a fine hat which cost 7 dollars; he took with him a prayer book which has the name Mary Duckett written in the first page. The above reward will be paid for bringing the said mulatto man in jail, so that I get him again.

100 Dollars Reward.
RAN AWAY from the subscribers, living in Baltimore, on Sunday morning, the 6th July, a negro man named ELIJAH. He is about twenty years of age, five feet, ten or eleven inches high; slender round the waist, but is a remarkable strong, big limbed fellow. He is a light black man, has a large flat nose, with very thick prominent lips; has his wool cut, so as to form a roll over the top of his head. He is a really-witted fellow, smart in answering questions; when spoken to in a good humor, generally laughs, and shows a handsome set of teeth; walks with a long step, and rocking motion with his body. He has taken with him a variety of cloths, among which are a pair of nankeen pantaloons; coarse linen shirts and trousers; an old castor hat, and a Russian rodded about jacket. We purchased him about 12 months since, of Mr. Richard Key Heath, acting as attorney of Susanna Wilson, of Kent county, to which place he has probably gone. Whoever will apprehend this above mentioned slave, and lodge him in any jail, so that we may get him again, shall receive 50 dollars, if taken in Maryland, and the above reward, if taken out of the said state, with all reasonable charges if brought home.
FREEMAN & WATSON. N. B. Masters of vessels and others, are warned from harboring or carrying off said slave as their property.

He had on when he absconded a short round fustian jacket, a pair of velvetreen pantaloons, white waistcoat and black hat; however he had in his possession some other clothes and he will probably change his dress—He took with him a dark brown mixed cloth long coat and waistcoat, several pair of nankeen pantaloons. This day is finished,
AN ADDITION OF
6000 Spelling Books,
From the 4th and last English edition.
BY LINDLEY MURRAY:
Author of English Grammar, Introduction to English Grammar, English Reader, Exercises, &c. &c.
The above work is comprehended under THREE general divisions. One of the principal objects of the FIRST PART, is, to teach an accurate pronunciation of the elementary sounds, &c.
The SECOND PART of the work affords the learner considerable aid in pronunciation, as well as in orthography. The words of two syllables are not only classed in chapters, according to their accent, but they are arranged in sections, adapted to the sounds of vowels and diphthongs, whether short, long, middle or broad.
The THIRD PART consists of words less familiar to children than those of the preceding parts: it is a collection of words and of miscellaneous chapters, calculated to give the learner a radical knowledge, and diversified views of the subject.
The lessons for spelling, in every section, are illustrated by short appropriate reading lessons. The orthography of Johnson, and the pronunciation of Walker have been adopted in Murray's Spelling Book—and it is presumed they are authorities which few persons will be inclined to dispute.
Also just received,

French Night School.
NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongue, have resumed the FRENCH NIGHT SCHOOL, in my common dwelling, between Light-street and Charles-street; but to promise to do wonders in behalf of my pupils, I have need—it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 15 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.

Ten Dollars Reward,
LOOK OUT!
RAN away from the office of the American, yesterday morning, after neglecting to give a great number of subscribers to this paper in his usual round, JOHN BROWN, carrier of the American for Old-Town. He is nearly 16 years of age; about four feet ten inches high; has flaxen hair, a fair complexion, and red and full cheeks: His face is rather round than long; he does not speak fast, but somewhat plausibly. He was seen yesterday morning in Old-Town. It is believed that he has made the best of his way to Frederick-town, being the son of George Brown, miller, in the vicinity of that place. He had on a pair of Fenne's cord pantaloons; striped 4th stripes running on (white) swansdown waistcoat and brown cloth tailor jacket; a new hat, good shoes and stockings. Whoever will apprehend the said boy and bring him to the Printing-Office of the American, or secure him in any jail so that his master gets him again, shall have, if taken in the city of Baltimore, five dollars; and if out of the county the above reward.
N. B. Those who harbor John Brown, be they relatives, friends or strangers to him, may depend upon being prosecuted with the utmost rigor that the law will justify.

Insurances upon Lives
BY THE
PELICAN LIFE INSURANCE COMPANY,
OF LONDON.
THE Pelican Life Insurance Company, of London, was established in the year 1797, by a numerous and respectable proprietary, upon an extensive capital, vested in the public funds, with the additional responsibility of every individual proprietor. The board of directors, in consequence of repeated applications on the subject, having determined to extend their engagements to the continent of America, deem it proper briefly to suggest to the minds of the public, the numerous and important benefits resulting from such an institution to every rank and class of society.
Persons in the receipt of income arising from estates dependent upon life—profits in business—offices, civil or military—by the yearly payment of a moderate premium, may secure at their death an adequate provision for their families, relations, or friends.—Fines payable on leases, or wages at the death of particular persons, may be provided for by insuring the lives of such persons. Insurance affords the means of reimbursement to those who advance money upon life annuities, and in many cases business can be secured for the loan of money. Persons entitled to property in expectancy or reversion, or upon attaining a given age, may secure an equivalent, in case their death should be affected by premature death. In a variety of other instances, and most peculiarly as applicable to persons engaged in commercial pursuits, or in the enjoyment of casual income, this valuable precaution will establish a resource to which families may look with confidence and security, and by which the distresses too often attendant upon human life, may be alleviated or effectually prevented.
The rates of premium for such insurances will be rendered as moderate as possible, and in every instance proportioned to the age, health, and other circumstances of the life assured.
The terms will be made known on application at the Phoenix Fire Office, in Second-street.
