From the many cases of cures that daily come to our knowledge, we have selected the following:

Messrs. Richard Lee & Son, You are at liberty to publish the astonishing cure performed by your Lozenges on my son, 10 years old, who was afflicted with fevers, pain in his side, and a continual head ache, which reduced him so low that he was unable to sit up. One of my neighbors advised me to use your Lozenges, which has had the happy effect of restoring him to a better state of health than he has enjoyed for several years, in the short space of seventeen days. JOHN KELLY.

Balt. Nov. 12, 1806.

Messrs. Richard Lee & Son, My son, five years old, has for some time past been very unhealthy, having fevers, heat-ache and loss of appetite. Lee's Elixir.

A sovereign remedy for Colds, obstinate Coughs, Catarries, Asthmas, Sore throats, and i pproaching Consumptions.

To parents who may have children afflicted | with the Hooping Cough, this discovery is of the first magnitude, as it alfords immediate relief, checks the progress, and in a short time intirely removes the most cruel disorder to which children are liable-The Elixir is so. perfectly agreeable, and the dose so small, that no difficulty arises in taking it.

Messrs. Richard Lee & Son,

For a long time I have been afflicted with a severe cold, attended with a distressing coug , sickness at the stomach, with a frequent in lination to vomit - having used a medicine which is said to have performed cures of this kind, but without receiving any benefit; hearing of Lee's Elixir, a bottle was procured at Messrs. Warner & H nna's bookstore, which has effectually removed this distressing complaint-in fact it is n t possible for one to say too much in favour of this invaluable medicine; being convinced those persons laboring under severe cold, by the use of Lee's Elixir would soon be restored to a perfect state of health.
