To the Public.
THE Subscriber, who has been employed by several respectable characters of this city, for the purpose of arranging and closing accounts of Co-partnership, Assignees, &c. posting, examining and balancing books of Accounts, takes this method of offering his services to, and of informing the public that he has opened an Office for the purposes stated. It is needless here to enumerate the many advantages to be derived from such an institution, as they are self evident both to the merchant and the tradesman; particularly to those who from multiplicity of business or other causes suffer accounts to remain undigested and unsettled.
Captains of vessels and supercargoes will, in some cases, find it their interest to apply to the subscriber for the purpose of having their accounts arranged previous to their being presented to their employers.
Accounts belonging to the estates of deceased or insolvent persons, dissolved co-partnerships, &c. fairly and accurately stated.
Satisfactory references and proofs of the subscriber's abilities to perform what he undertakes will be given, if required, to such gentlemen as may have occasion for his services and will favor him with employment.
