To the Public.
THE Subscriber, who has been em-
ployed by several respectable characters
of this city, for the purpose of arranging and
closing accounts of Co-partnership, Accounts,
&c. pasting, examining and balancing Books of
Accounts, takes this method of offering his ser-
vices, to and of informing the public that he
has opened an Office, for the purposes stated.
It is needless here to enumerate the many ad-
vantages to be derived from such an institu-
tion, as they are self evident both to the mer-
chant and the tradesman; particularly to
those who from multiplicity of business or
other causes suffer accounts to remain undig-
ested and unsettled.
Captains of vessels and supercargoes will, in
some cases, find it their interest to apply to
the subscriber for the purpose of having their
accounts arranged previous to their being pre-
sented to their employers.
Accounts belonging to the estates of deceased
or insolvent persons, dissolved co-partners-
hips, &c. fairly and accurately stated.
Satisfactory references and proofs of the
subscriber's abilities to perform what he un-
