ployed by several respectable characters of  
this city, for the purpose of arranging and  
clearing accounts of Co-partnerships, Accounts,  
&c. posting, examining and balancing Books of  
Accounts, takes this method of offering his ser-  
vices to, and of informing the public that he  
has opened an Office for the purposes stated.  
It is needless here to enumerate the many ad-  
vantages to be derived from such an institu-  
tion, as they are self evident both to the mer-  
chant and the tradesman; particularly to  
those who from multiplicity of business of  
other causes suffer accounts to remain unde-  
gested and unsettled.

Captains of vessels and supercargoes will, in  
some cases, find it their interest to apply to  
the subscriber for the purpose of having their  
accounts arranged previous to their being pre-
