#### For the Prevention and Cure Of Bilious and Malignant Fevers;

IS RECOMMENDED Lee's Anti-Bilious Pills;

Prepared by Richard Lee & Son, Baltimore. Persons wishing to purchase this valuable Medicine, are requested to be particular in enquiring for Lee's Anti-Bilious Pills, put up in wooden boxes, having on the outside wrapper the signature of Richard Lee and Son; this is necessary; as there are other pills of the same name.

The operation of these Pills is perfectly mild; so as to be used with safety by persons in every situation, and of every age.

They are excellently adapted to carry off superfluous bile, and prevent its morbid secretions — to restore and amend the appetite — produce a free perspiration; and thereby prevent colds, which are often of fatal consequences — a dose never fails to remove a cold, if taken of its first appearance. They are celebrated for removing habitual constiveness — sickness at the stomach, and severe head ache — and ought to be taken by all persons on a change of climate.

They have been found remarkably efficacious in preventing and curing disorders attendant on long voyages, and should be procured and carefully preserved for use by every seaman.

Messrs. Richard Lee & Son, The high opinion I have of your Bilious Pills, and a desire to make known their utility for the benefit of mankind, I wish you to publish the following:

For two months past, I have been afflicted with a violent sickness at the stomach, an inclination to vomit, and loss of appetite — by taking two doses of your pills, I am restored to a perfect state of health — which induced my wife to try them also, which was attended with the same good effects, being now able to attend to her domestic concerns: in my opinion, this medicine is unequalled in stomach and bowel complaints, not being attended with that griping pain, common to other remedies.
