names of part of a tract called "Attila," one

other part of a tract called "Murray's Addition," part of a tract called "Truman's Range," part of a tract called "Hector's Range," part of a tract called "Bought Wit," part of a tract called "Addition to Bought Wit," part of a tract called "Addition to Truman's Range," part of a tract called "White Ground," or "White Hill," and also part of a tract called "Marden's Choice," containing altogether above nine hundred acres, which said lands will be cut into lots of from 10 to 30 acres each, a plan whereof may be seen at the office of the sub-letters previous to the sale. The Property will be sold on the following terms—the fourth part of the purchase-money to be paid on the induction of the sale by the Chancellor, and the residue within 1, 2, 3 or 4 years when interest from the sale—the purchaser to give bond with approved security for the payment of purchase-money. The above lands are well situated, and the soil of very superior quality, and for salability of air and prospect, the situation is inferior to none; the vicinity of this property to the rising and flourishing city of Baltimore, and the great advantages it presents will no doubt merit and attract attention.
