Farmers' Bank of Maryland. TOTICE is hereby given, that the Books will be opened at Annapolis, on Monday the 13th day of April next, and continue open the next day for the disposal of the number of Shares remaining unsubscribed in the Farmers' Bank, on the Western Shore, the subscriptions to be taken at the Bank, between the hours of ten and five each day. The subscribers to pay ten dollars on each Share at the time of subscribing, and the residue as follows, to wit .- Ten dollars on the thirteenth day of June, ten dollars on the thirteenth day of August, ten dollars on the thirteenth day of October, and ten dollars on the twelfth day of December next, but reserving to any subscriber, the liberty of paying at any one of those days the whole of his subscription then due. The Shares which may be subscribed above the number limited to be reduced by a proportional deduction throughout the several counties on the Western Shore or by lot if necessary, and the monies that may be paid thereon to be immediately repaid at the Bank.

If any Stockholder shall fail to make regular payment of any instalment after the first payment, such Stockholder's money in Bank, shall remain free from interest and not entitled to dividend, until such instalment or call shall be made good, and the dividend thereafter to be paid to such Stockholder (as well upon the money by him regularly paid as upon the money paid after default) shall be calculated only from the time when said last instalment was made

The subscribed Shares of the Farmers' Bank having already risen above par, and being in great demand, the Directors deemed it to be their duty to give every facility in their power to the citizens of every part of the Western Shore to become proprietors of a Stock to which experience has already attached an high degree of confidence and an enhanced value, and which from every jappearance, would rapidly appreciate whenever the subscription of the surplus Shares should remove the possibility of procuring the stock at a lower value, than the successfull management of the institution and the public opinion should have conferred on it: Notwithstanding, therefore, that the charter directed that the Subscription Books for this stock shall be opened at Annapolis, yet the Directors held themselves at liberty and have determined it to be their duty, to devise means to accommodate the citizens of the several counties who might wish to subscribe, but who cannot attend at Annapolis; In conformity, therefore, to a determination that had already obtained, at a joint meeting of the Directors of the Bank and Branch Bank on a similar occasion, the board have adopted the following resolution:

That the Directors for the several counties on the Western Shore, he authorised and directed to receive in their respective counties, from all persons who may offer to subscribe for Stock in The Farmers' Bank, on the day or days, appointed for subscribing, powers of attorney enabling some person to subscribe for them at Annapolis, and also to receive from persons so disposed to subscribe, the sums which are made payable, on subscriptions personally made; and all subscriptions made under powers as aforesaid, shall be held and deemed as valid, as if made by the individuals themselves at Annapolis.. -
