Just Received,

A fresh supply of the following GENUINE FAMILY MEDICINES,
 Which are carefully prepared according to the proprietor's book of recipes now in possession of his widow.
 The subscriber respectfully acquaints his customers, that during his late visit to New-York he made such arrangements as will most probably prevent any sudden demand from breaking up his establishment in future. Those who have been disappointed in their applications for *Sanctified Ointment*, are informed they can now be supplied with that excellent preparation for speedily removing Coughs, Colds, Hoarseness, &c.
 JAMES HANNA,
 Medical Warehouse, No. 102, Market-street

Worm Lozenges,

Priaps the safest and mildest purgative now in use, either for children or adults, and should worms exist in the body, it will undoubtedly expel them. To those prudent persons who generally take physic in the spring, they are recommended as particularly efficacious in removing all gross humors and eruptions, the fish and bilious complaints, and for cleansing the stomach and bowels of whatever is foul and offensive.—*One Box is sufficient for a family.*

ITCH CURED,

By one using Lee's Sovereign Ointment, which, although used for many years in Europe and for near eight years in America, has never been known to fail in any one instance. It is perfectly innocuous, warranted not to contain a particle of mercury or any pernicious ingredient, and may be used with perfect safety on an infant, being a vegetable preparation and entirely free from the offensive smell which attends most other remedies.
DR. HAHN'S ANTI-BILLIUS PILLS.
 Every person who has used these Pills, prefer them to any other pills now in use. They are celebrated for removing habitual costiveness, fever, headache, and sick stomach. Seamen should never be without them, as they are the best preventative hitherto discovered of those malignant fevers and violent diseases common to hot countries, and are remarkable for preventing and curing disorders attendant on long voyages.

THE GENUINE PERSIAN LOTION,
 So celebrated among the fashionable throughout Europe, as an invaluable cosmetic, perfectly innocuous, and free from corrosive and repellent minerals, (the basis of other lotions) and of unparalleled efficacy in preventing and removing blemishes in the face and hair.
RESTORATIVE POWDER FOR THE TEETH AND GUMS.
HAHN'S GENUINE EYE-WATER,
 A sovereign remedy for all diseases of the eyes.
HAMILTON'S GENUINE ESSENCE & EXTRACT OF MUSTARD.
 For Rheumatism, Gout, Palsy, Swelling, Numbness, &c.
TOOTHACHE DROPS.
 The only method yet discovered, which gives immediate and lasting relief in the most violent instances.
INFALLIBLE AGUE DROPS.

At the place of sale may be seen a list of many cures performed by the above medicines; among them will be found the signatures of several distinguished characters and of many respectable citizens of Baltimore and Philadelphia.
 These preparations have been known to the citizens of Baltimore and throughout the union for eight years past, during which time the most abundant and respectable testimony (ever known) has been given of their great efficacy: in consequence, all the arts of imposture have been practiced to wrest from the widow and children of the late proprietor, the business and the emoluments arising from it.—Those persons who wish to discourage such attempts, and to obtain Medicines prepared according to the recipes of the late proprietor, will be careful to apply only to the Widow's Agents—viz. JAMES HANNA, Medical Warehouse, No. 102, Market-street; BENJAMIN WILSON, opposite the Market, Fell's Point; and no where else in Baltimore.
 N. B. None are genuine without the signature of
HANNAH LEE.

To Merchants, &c.

A young man, perfectly competent to the duties of the station, wishes a situation as supercargo to Europe, any port in the West Indies, or to any part of the continent. He has been bred to business, and is well versed in commercial transactions; understands the French language perfectly, and speaks it tolerably. For his integrity and morality, respectable persons will vouch. His connections residing in the city; his knowledge of a number of the West India Islands, and the faithful performance of his duties as a clerk in this town, emboldens him to make an offer of his services in the above situation. On application he will be found adequate to any branch of business; and his character such as to merit any trust. Pecuniary motives have not altogether induced him to advertise; his terms will therefore be satisfactory to those who may honor him with their confidence.—
