JOSEPH CLARK, d

Just Received,

A fresh supply of the following GENUINE FAMILY MEDICINES,

Which are carefully prepared according to the proprietor's book of recipes now in possession of his widow. The subscriber respectfully acquaints his customers, that during his late visit to New-York he made such arrangements as will most probably prevent any sudden demand from breaking up his assortment in future. Those who have been disappointed in their application for *Hamilton's Elixer*, are informed they can now be supplied with that excellent preparation for speedily removing Coughs, Colds, Hoarseness, &c.

JAMES HANNA, Medical Warehouse, No. 12, Market-street, HAMILTON'S

Worm Lozenges,

Perhaps the safest and most purgative now in use, either for children or adults, and should always exist in the house, it will undoubtedly expect them. To those persons who generally take physic in the spring, they are recommended as particularly efficacious in carrying off all gross humors and eruptions, feverish and bilious complaints, and for cleansing the stomach and bowels of whatever is foul and offensive.—One Box is sufficient for a family.

ITCH CURED,

By using Lee's Sovereign Ointment, which, although used for 20 years in Europe and for near eight years in America, has never been known to fail in any one instance. It is perfectly innocent, warranted not to contain a particle of mercury or any pernicious ingredient, and may be used with perfect safety on an infant, being a vegetable preparation and entirely free from the offensive smell which attends most other remedies.

DR. HAIN'S ANTI-BILLIQU PILLS. Every person who has used these Pills, prefer them to any other pills now in use. They are celebrated for their efficacy in softening, fevers, head-ache, and the French. Seamen should never be without them, as they are the best preventative hitherto discovered of those malignant fevers and violent diseases common to hot countries, and are remarkable for preventing and curing disorders attendant on long voyages.

THE GENUINE PERMANENT LOTION. Celebrated among the fashionable throughout Europe, as an invaluable cosmetic, perfectly innocent and safe, free from corrosive and repellent humors, (the basis of other lotions) and of unparalleled efficacy in preventing and removing blemishes in the face and skin.

RESTORATIVE POWDER FOR THE TEETH AND GUMS. HAIN'S GENUINE EYE-WATER. A sovereign remedy for all diseases of the eyes.

HAMILTON'S GENUINE LINGAL EXTRACT OF MUSTARD. For Rheumatism, Gout, Palsy, Swelling, Numbness, &c.

TOOTH-ACHE DROPS. The only method yet discovered, which gives immediate and lasting relief in the most feverish instances.

INFALLIBLE AGUE DROPS. At the place of sale may be seen a list of many cures performed by the above medicine; among them will be found the signatures of several distinguished characters and of many respectable citizens of Baltimore and Philadelphia.

A safe preparation has been known to the citizens of Baltimore and throughout the Union for eight years past, during which time the most abundant and reliable testimony (ever known) has been given of their great efficacy: in consequence, all the arts of imposture have been practiced to wrest from the widow and children of the late proprietor, the business and the emoluments arising from it.—Those persons who wish to discourage such attempts, and to obtain Medicines prepared according to the recipes of the late proprietor, will be careful to apply only to the Widow's Agents—viz. JAMES HANNA, Medical Warehouse, No. 12, Market-street; BENJAMIN WILSON, opposite the Market, Fell's Point; and no where else in Baltimore.

N. B. None are genuine without the signature of HANNAH LEE.

A liberal allowance to wholesale purchasers April 1.

P. WILLIAMSON'S

Celebrated Elastic Pen or METALLIC PEN, WHICH has been pronounced, by many of the most eminent penmen, to be far superior to any metallic Pen that has ever been made heretofore, either in Europe or America; it is well known, that all the Pens upon the former principle have been wanting in that pliability which all Pens should have, in order to write with smoothness and rapidity, which in this is happily effected by the two additional side slits. Perpetual Almanac Cases with Pens or Pencils, or both—the novelty and utility of which will render it far preferable to any common pencil case, the difference in the price being insignificant, may be had of the above, or Mr. George Aiken, No. 72, Market-street, Baltimore.
