WM. LOVELL, At the Union Che ip Bread Manufactory, No. 52, North Howard-street,

DEGS leave to return his sincere thanks to D the Ladies and Gentlemen of Baltimore. for the great encouragement he has met with since his residence in this place, and informs them that he is building two large additional Ovens, in consequence of the many applications by families who wish to be supplied during the summer months, and assures them that they may depend on being supplied with sound baked English BREAD, of the first quality, and as large in proportion to the price of flour, as on his first establishment that proved by many families to be a saving of wood and servants' time, but in many families the latter falls on the Mistress, who subjects herself to the heat, and thereby frequently gets colds, which often proves injurious to the constitution and sometimes fatal. The flour baked by the subscriber since the 15th of May last is 2750 barrels, in 50 weeks. ending the 30th April, averaging 53 barrels per week, which has been an actual saving to the public of 3 dollars per barrel, making the enormous sum of 8250 dollars, from the general sort of bread baked in this town. The subscriber begs leave to remind those customers who have stated credits to be punctual in their payments, as the profits are small and his credit depends on their panctuality—it

would be painful for him to stop their credit which must be the consequence. N. B. A Cart will in a few days go up the Reister's Town road and the suburbs of Howard-street.

The Grand Master of Malta, A remarkably fine Jack, brought direct from Mana, by Commodore Rodgers, will stand to cover mares and jennies during the ensuing season, at Hampton, the country seat of General Ridgely, at the moderate price of ten dollars each, for the season, for Mares, and one

hundred dollars for each Jenny." The Grand Master is now 3 years old, and is allowed by the hest judges, to be the largest and handsomest Jack ever seen in this country. To avoid trouble, the money must be sent with the mares or jennies.

JOHN GREEN, Manager. P. S. The best of clover pasturage may be had, but he liability forescapes or accidents. . N. B. In the first advertisement this difference of price between Mares and Jennies was omitted, which palpable mistake is now cor-

rected as above. march 26
