FRIDAY, MAY 8, 1807.

MATANZAS, Junuary 29, 1807. The mate and four hands belonging to thip Charlotte, captain Benjamin Jennings, laying in this port and ready for sea, came on shore in her boat on flip's duty-on which duty they were detained until between nine and ten o'-

clock in the evening. The oars belonging to the boat had been put

into a yard near the wharf for fecurity, on returning to go on board (it being very dark) the cars belonging to the ship's boat were put on board another boat of nearly the same size, and which lay near the other at the wharf, the mis-Lake was quickly rectified, and in taking the oars, one of them belonging to the ship Charlotte was left in the ftrange boat, and one of her's taken in exchange,-l'affing a point at the mouth of the river they were hailed by a person, supposed to be an officer of the customs, as was utual, and on the boat coming afhore a man attempted to tale away the oars but was refitted. They then went on board the thip without further molest mon, and immediately dispatched two of the same men and a finall biac!: boy, with some medicine for the owner who was fick on shore. Thele men, boy and boat, were seized upon by a gun-boat, and there detained until near morning, when the said gunboat getting under weigh, came along fide of thip Charlotte, and with about fifty men, seized upon the mate: And after stripping him, tied him to the mail, and then with a cat, gave him fortytwo laines. They then releafed the man, boat and boy, and faid, " go what you pleafe."

We the underfigned, eye and ear witnesses of the facts above firted, declare them all to be just and true, and will when we arrive in any port in the United States teft.ty to the same upon cath.

JAMES MOODY, mate. P. ISARDY JAMES GIBSON ALX. DARBANY JAMES CARTER

We the und rlighed, eye witnesses of the conduct of the officers and crew of the Spanish Chailotte, do declare that the ttatement is juit and true, and will when called upon declare the fame on oath.

. MATANZAS, (Island of Guba) Jan. 30, 1807. JAMES MADISON, Secretary of State.

The undersigned American Citizens, Ship Richmond, Bartlett, now in this port, under the pressure of the molt | Sch'r Lelicity, Belle, Ections concern, conceive it our duty to address you upon a subject deeply interesting to our ! Ship Mary, Waters, feelings. We are well aware that the conflitu- | Brig Rifing Sun, Burr, tional organ, through which these communications ought to be made, is the consul or commercial agent, but as neither of these officers reside here, we are under the necessity of doing it ourselves.

The enclosed statement, to which we have affixed our signatures, we have examined and compared it with many corroborating circumtrances, all of which came within our own knowledge and finding they so well agree, we hesitate not to express our opinion of its truth.

The act of exchanging the oar under similar circumstances, might have happened under the direction of any one of us and can be termed nothing mire than accident, by no means bearing even the appearance of guilt. The opposition made by the boat's crew at the point, was no doubt improper; but it ought to be considered that it was the act of the men in the boat, and from our knowledge of the conduct of lailors, after being indulged with only a few hours on those, we amen that feldom any thing thort of positive force will restrain them.

We therefore venture to express our opinion, that the banduct of Francisco Pieble, command. ant of a jun bout, now stationed at Matanzas in going on board an unarmed, inoffensive vessel, leizing the first officer and ignominiously bestowing upon him more than forty lashes, was entirely upon his own responsibility, without the knowledge of his superior officers, and totally contrary to the laws of this country.

This unfortunate man was tried unheard, and this disgraceful punishment inflicted, without it being possible for the devoted victim to know the crime for which he suffered—and what (if possible, added to the injerry, the American tiag was waving nearly over the head of the unhappy fufferer. This unwarrantable proceeding we conceive calls particularly for national enquiry.

With sentiments of esteem, Yours Respectfully.

Signed by all the masters of American Vessels at Maianaus, at the preceding date.

In the ship Foxwell, arrived at Boston from Briftel, came passenger, an American gentleman of the name of CROMWELL, whose debut at Drury-Lane this last winter, in the arduous character of " Pierre" so highly interessed the critical amateurs of London. All the journals of that city speak in the highest terms of his talents and requitites for the flage. He afterwards performed at Bath and Bristel with great reputation; and was offered a permanent situation, and a very respectable rank, in either of the theatres at which he has appeared.

FOR THE PUBLIC. MR. SHITH,

I pronounce a letter imputed to Gen. Adair, and faid to be 'addressed to the Kentuky delegation in Congress, to be a vile & infamous fabrication—and I am able to prove by the testimony of Rallton and Cloyd, two of Burr's associates, that general Adair left Bashville with Burr's knowledge and direction, and vilite I this city for the exprels purpole of cooperating with the faid Burr.
