Pro Bono.
WM. LOVELL,
At the Union Cheap Bread Manufactory, No. 52,
North Howard-street,
BEGS leave to return his sincere thanks to
the Ladies and Gentlemen of Baltimore,
for the great encouragement he has met with
since his residence in this place, and informs
them that he is building two large additional
Ovens, in consequence of the many applica-
tions by families who wish to be supplied
during the summer months, and assures them
that they may depend on being supplied with
sound baked English BREAD, of the first
quality, and as large in proportion to the price
of flour, as on his first establishment that
proved by many families to be a saving of wood
and servants' time, but in many families the
latter falls on the Mistress, who subjects
herself to the heat, and thereby frequently
gets colds, which often proves injurious to
the constitution and sometimes fatal. The
flour baked by the subscriber since the 15th
of May last is 2730 barrels, in 50 weeks,
ending the 30th April, averaging 55 barrels
per week, which has been an actual saving to
the public of 3 dollars per barrel, making the
enormous sum of \$250 dollars, from the general
sort of bread baked in this town. The
subscriber begs leave to remind those cus-
tomers who have stated credits to be punctual
in their payments, as the profits are small and
his credit depends on their punctuality—it
would be painful for him to stop their credit
which must be the consequence.
N. B. A Cart will in a few days go up the
Register's Town road and the suburbs of How-
ard-street.
