**For Sale, by private contract,**  
 The House, my present residence, with ten acres one quarter and twelve perches of Land. The house is convenient and well finished, having been faithfully built, with all necessary attached and detached offices. The Garden and Orchard contain nearly three acres, planted with the best fruit trees and flowering shrubs, with a great variety of bulbous and tube-rooted flowers, and a green-house stocked with about three hundred exotics. In the garden are two squares or fifteen beds of the finest asparagus. This property is situated about three quarters of a mile from Pacha Street market, and enjoys a view of the river and surrounding country which may vie with any in America for beauty. It has the advantage of a fine spring of pure water within one hundred yards of the door. The meadow grounds are in good condition, and the land binds on Saratoga Street continued about 720 feet.

About 17 Acres of Land, adjoining the above divided into 5 Lots, containing from one acre and a half to 4 acres and a half each Lot; each having a fine eminence and spring water. These Lots are perhaps the most eligible in the vicinity of the city, that are or can be offered for sale, all fronting on Saratoga Street about 1500 feet. If the above property is not disposed of by private sale before Monday the 25th instant, it will on that day be offered at public Vendue, on the premises, at 4 o'clock in the afternoon, on the following terms: one-sixth of the purchase money will be required in sixty days from the day of sale, the residue payable in five annual installments, with interest from the time of sale; bonds with approved security, for the payment of the several sums of money will be required, and a deed for the conveyance of the premises will be given on the payment of the last installment. For terms apply to Samuel Smythe, who is authorized by me to dispose of the same.

**To the Public.**  
 THE Subscriber, who has been employed by several respectable characters of this city, for the purpose of arranging and closing accounts of Co-partnership, Adventures, &c. posting, examining and balancing Books of Accounts, takes this method of offering his services to, and of informing the public that he has opened an Office for the purposes stated. It is needless here to enumerate the many advantages to be derived from such an institution, as they are self-evident both to the merchant and the tradesman; particularly to those who from multiplicity of business or other causes suffer accounts to remain undigested and unsettled.  
 Captains of vessels and supercargoes will, in some cases, find it their interest to apply to the subscriber for the purpose of having their accounts arranged previous to their being presented to their employers.  
 Accounts belonging to the estates of deceased or insolvent persons, dissolved co-partnerships, &c. fairly and accurately stated.  
 Satisfactory references and proofs of the subscriber's abilities to perform what he undertakes will be given, if required, to such gentlemen as may have occasion for his services and will favor him with employment.

**By Virtue of a Decree**  
 OF the Honorable the Court of Chancery will be sold on the premises, on WEDNESDAY, the 13th day of May next; the sale to commence at 11 o'clock precisely, if fair, if not, the next fair day, (Sunday excepted) at the same hour and place:—All those valuable Tracts of LAND lying on each side of the Turnpike-Road leading from Baltimore to Frederick-Town, and about three miles from the city of Baltimore, late the property of Wm. Rusk. The said lands are known by the names of part of a tract called "Athol;" one other part of a tract called "Murray's Addition;" part of a tract called "Trueman's Range;" part of a tract called "Hector's Fancy;" part of a tract called "Bought Wit;" part of a tract called "Addition to Bought Wit;" part of a tract called "Addition to Trueman's Range;" part of a tract called "White Ground," or "White Hall;" and also part of a tract called "Marden's Choice," containing altogether above nine hundred acres, which said lands will be laid off into lots of from 10 to 50 acres each, a plat whereof may be seen at the office of the subscribers previous to the sale. The Property will be sold on the following terms:—the fourth part of the purchase money to be paid on the ratification of the sale by the Chancellor, and the residue within 1, 2, & 3 years with interest from the sale;—the purchaser to give bond with approved security for the payment of purchase money. The above-lands are well timbered, and the soil of a very superior quality, and for salubrity of air and prospect, the situation is inferior to none; the vicinity of this property to the rising and flourishing city of Baltimore, and the great advantages it presents will no doubt merit and attract attention. The decree under which these lands are sold will be read at the time and place of sale.  
 The above property will be sold at the house of David L. Rusk, on the premises.

**Pro Bono.**  
 WM. LOVELL,  
 At the Union Cheap Bread Manufactory, No. 52, North Howard-Street.  
**BEGS** leave to return his sincere thanks to the Ladies and Gentlemen of Baltimore, for the great encouragement he has met with since his residence in this place, and informs them that he is building two large additional Ovens, in consequence of the many applications by families who wish to be supplied during the summer months, and assures them that they may depend on being supplied with sound baked English BREAD, of the first quality, and as large in proportion to the price of flour, as on his first establishment that proved by many families to be a saving of wood and servants' time, but in many families the latter falls on the Mistress, who subjects herself to the heat, and thereby frequently gets colic, which often proves injurious to the constitution and sometimes fatal. The flour baked by the subscriber since the 15th of May last is 2750 barrels, in 30 weeks, ending the 5th April, averaging 35 barrels per week, which has been an actual saving to the public of 3 dollars per barrel, making the enormous sum of \$2500 dollars, from the general sort of bread baked in this town. The subscriber begs leave to remind those customers who have stated credits to be punctual in their payments, as the profits are small and his credit depends on their punctuality—it would be painful for him to stop their credit which will be the consequence.  
 N. B. A Cart will in a few days go up the Reister's Town road and the suburbs of Howard-Street.
