EDUCATION.

THE Public are hereby informed that SAMUEL T. MILLER has opened a -SCHOOL, under the immediate inspection of the Hevd. JAMES, MAGRAW, at Bphesus, in West Nottingham, Czcul County, for the Education of Youth, in the Latin and Greek Languages, Ruclid's Elements, Geography,

The Teacher flatters himself, that his haying received the rudiments of his education from Mr. James Ross, of Lancaster, and completed it under the Revd. Samuel Martin, o Slate Ridge, whose accuracy as classical scholars, and abilities as teachers are generally known; and his being employed by the latter gentleman as the teacher of his achool for consultable time, together with the subjained certificate, will be sufficient testimony to the public, of his qualifications; but be is willing at any time to undergo the test of examination

by competent judges. The patrons of this school may be assufed. that a careful attention will be paid both to the morals and literature of the pupils.

The signation of the place is truly eligible for a school, not being surpassed by any in point of healthiness, and as genteel boarding (washing included) may be had at the low rate of 70 or 80 dollars per annum. The grien of tuition will be fire dellars quan

The examination of the school will take place in April and October, when the parents and guardiene of the pupils, and the friends of literature, in general, will have an opportu-

nity of witnessing their progress. SAMUEL T. MILLER.

6168 Prizes—amounting to Dolls. 75000 11832 1 lanks - Sum raised, ? 15000 including expence,

From the above Scheme, it appears that U there are less than two Blanks to a Prize, and that the Prizes are to be paid without deduction. The advantages offered to adventurers, and the very charitable object to which the money is to be applied, induce the Managers to hope that a speedy sale of the tickets will enable them to commence drawing at an early day. All prizes will be paid in sixty days after the completion of the drawing, and such prizes as are not demanded within twelve months will be considered as generous donations to the ruly charitable object of the Lottery.

Tickets may be had of the Managers, and such other persons as they may appoint to sell. Prizes in the Lotteries now crawing in this city, will be received in payment for tickets. MANAGERS.

I have perused the work you have put into my hands, relative to the " Means of preserving Health and of preventing Diseases"

It appears to me to be arranged in a perspicuous manner, and to contain principles which

will receive general approbation. You have also very ju liciously availed yourself of the observations of some of the ablest writers of the present day, which will give an additional value to your work, especially with those who may not have access to the originals. We, the subscribers, having been favored with the perusal of a book composed by Doctor Ricketson, of New-York, entitled " Means of preserving Health and preventing Diseases," do, with much pleasure, give it the sanction of our approbation, and cheerfully co-operate with our respectable brethren of the Faculty in other places, in recommending it as a valuable and useful guide to health, and containing directions well calculated to prevent or mitigate diseases; and therefore worthy the attention of every family and individual.

We confidently hope that the merit of this little American work will be duly appreciated, and that thereby its benevolent and judicious author will be amply compensated for his labor and good intentions.
