### Fifteen Dollars Reward.

RAN away from the subscriber, living in  
R. Easton, Talbot county, Eastern Shore of  
Maryland, on Tuesday, the 9th instant, an  
Apprentice Boy to the tailoring business,  
named **JOHN HUGHES**, aged between 18 and  
19 years, about 5 feet 3 or 4 inches high, rather  
small of his age, of a fair complexion; had on  
when he went away a blue cloth roundabout  
jacket and olive-colored thickest pantaloons—  
It is likely he will change his clothes as he took  
others with him; expect he intends going to  
Baltimore as he has a sister and some acquain-  
tances living there; and most probable he will  
cross the bay in some vessel from Wy's mills,  
or Choptank River. Any person taking up  
said boy, and bringing him to me or securing  
him so that I get him again, shall receive the  
above reward and all reasonable expenses paid  
by me.

that they have been landed in the United States  
thirty days.

June 4

**WILLIAM McDONALD.**

### Sloop Experiment,

**FOR PASSENGERS ONLY.**  
**ELIHU S. BUNKER** begs leave to inform  
his friends and the public, that he will,  
on the first of July, commence running a sloop,  
of about one hundred and ten tons burthen,  
between the cities of New-York and Hudson,  
for the purpose of carrying Passengers.  
Few people, who have had occasion to take  
passage up or down the North River, but have  
experienced the inconvenience and risk of  
going on board vessels deeply loaded and  
lumbered on deck; therefore captain Bunker  
has determined to take no freight on board the  
Experiment, which will remedy that con-  
venience and entirely do away the risk.  
The owners of this vessel, being desirous  
to render the passage as short, convenient and  
agreeable as possible, have not only taken care  
to furnish her with the best Beds, Bedding,  
Liquors, Provisions, &c. but they have been  
at very great expense and trouble in procuring  
materials and building her on the best con-  
struction for sailing and the accommodation of  
Ladies and Gentlemen travelling on business  
or for pleasure.

The Experiment will leave New-York every  
Wednesday Evening precisely at 6 o'clock,  
and Hudson every Sunday Morning at eight  
o'clock, throughout the season.  
Captain Bunker having been several years  
engaged in the freighting business between  
New-York and Hudson, has become well ac-  
quainted with every part of the river; and he  
hopes, by attention and punctuality, to merit  
the patronage of Ladies and Gentlemen from  
the southward, who may visit the celebrated  
Ballston, Saratoga and Lebanon Springs,  
or Travellers who may have occasion to travel  
through the northern states. The shortness  
of the passage to Hudson when compared with  
that to Albany or any place above Hudson,  
(where the river is impeded by bars, islands  
and overfalls that render it impossible for  
fast sailing vessels to pass) he thinks will in-  
duce most people who are acquainted with the  
difference, to take passage to Hudson, where  
carriages or boats can at all times be had, at a  
moderate expense, to convey them to Albany,  
Troy, Lansingburgh, or the Lebanon Springs,  
which are about 30 miles distance.

Hudson, May, 1867.
