### William Carman

HAS opened his SLATE YARD, on Spear's  
 wharf, below Smith and Hooper's bake-house,  
 for the sale of SLATE, which he has a  
 good supply in readiness for the present season.  
 The quality of the Slate is such that little need  
 be said of it—general satisfaction has been  
 experienced by those who have used it.  
 Many buildings in this city are covered with  
 Slate that is really rattling, owing to the quan-  
 tity of clay naturally mixed with it; but the  
 slate here advertised is of the most durable kind,  
 in consequence of the iron contained in it—  
 Such persons as see it their interest to use an  
 article of acknowledged superiority, may de-  
 pend on having their orders punctually execu-  
 ted, as W. C. is determined to receive no  
 more than he can fulfill in time agreeably to  
 contract.  
 The buildings already covered with this  
 slate are as follows:—Mr. Robert Oliver's back  
 buildings in Gay street; Capt. Carr's, on Fell's  
 Point; Philip Little's, Baltimore street; Hen-  
 ry Payson's, Hanover street; Jacob Myers's,  
 South street, and Amos A. Williams's ware-  
 house, on Dowly's wharf.  
 N. B. The price of the Slate is 10 Dollars  
 per square of ten feet (100 feet superficial mea-  
 sure). The slate is measured when the work  
 is finished, allowing one foot extra in the length  
 of the eaves, hips and valleys.  
 SLATERS will be recommended, if required,  
 that will do credit to the work.
