Land for Sale.
ABOUT 300 acres of Woodland, from nine

 to Ellicott's upper Mills: there is a large
 quantity of timber and wood on this tract:
 it is allowed by good judges that it will average
 considerably more cords of wood per acre,

 without any expence or trouble in cutting.
 The price of fire wood the last winter, with
 the increasing scarcity of that article on the
 tide waters, and near Baltimore, it is thought
 will make this property of great value in a few
 years, to one that has the money to spare.
 The whole may be sold together or had in lots,
 as may best suit purchasers. One half the
 money will be required in hand, for the other
 half two or three years credit will be given.
