Mrs. Andrews, Milliner. TO THE LADIES OF BALTIMORE. y AVING been strongly encouraged by "several Ladies of the first respectability in this city (my former and constant friends). was induced to make an effort to attain a principal share of the liberal patronage I formerly experienced, and from the unexpected support I have met with, since my commencement, I have no doubt to obtain.

From the accumulated misfortunes I lately met with, through ill placed confidence in a person of notorious character, now too well known, at present said to be flourishing in the first city in the union, on the ruins of me and the creduity of others, it is but few articles in my line I am able to offer, and those obtained by the generosity of some of my tormer friends. but having some days ago been tendered the assistance of two of the most extensive houses in this city, to which I will a id attention, dispatch, exertion to please, with very accommodating prices

Those Ladies who have not had their orders executed with me heretofere, and who may now be inclined to favor me with any part of their business may expect satisfaction.

To those who have so very feelingly stepped forward with advice and assistance to encourage me to commence business again, wal here except my sincere thanks.

My store is an South-street, second door from Market-street, adjoining the corner store occupied by Mr. Joseph Wukins. An Apprentice wanted.

ABOUT 300 acres of Woodland, from nine to ten miles from Baltimore, on the main road to Ellicott's upper Mills: there is a large quantity of timber and wood on this tract; it is allowed by good judges that it will average considerably more cords of wood per scre, than will pay the price I ask for it, as it stands, without any expence or trouble in cutting. The price of fire wood the last winter, with the increasing gearcity of that article on the tide waters, and near Baltimore, it is thought will make this property of great value in a few years, to one that has the money to spare. The whole may be sold together or had in lots, as may best suit purchasers. One half the money will be required in hand, for the other half two or three years credit will be given.
