**Sloop Experiment,**  
 FOR PASSENGERS ONLY.  
 ELIHU S. BUNKER begs leave to inform his friends and the public, that he will, on the first of July, commence running a sloop, of about one hundred and ten tons burthen, between the cities of New-York and Hudson, for the purpose of carrying Passengers. Few people, who have had occasion to take passage up or down the North River, but have experienced the inconvenience and risk in going on board vessels deeply loaded and lumbered on deck; therefore Captain Bunker has determined to take no freight on the Experiment, which will remedy this inconvenience and entirely do away the risk.  
 The owners of this vessel, being desirous to render the passage as short, convenient and agreeable as possible, have not only taken care to furnish her with the best Beds, Bedding, Liquors, Provisions, &c. but they have been at very great expense and trouble in procuring materials and building her on the best construction for sailing and the accommodation of Ladies and Gentlemen travelling on business or for pleasure.  
 The Experiment will leave New-York every Wednesday Evening precisely at 6 o'clock, and Hudson every Sunday Morning at eight o'clock, throughout the season.  
 Captain Bunker having been several years engaged in the freighting business between New-York and Hudson, has become well acquainted with every part of the river; and he hopes, by attention and punctuality, to merit the patronage of Ladies and Gentlemen from the southward, who may visit the celebrated Ballston, Saratoga and Lebanon SPRINGS, or Travellers who may have occasion to travel through the northern states. The shortness of the passage to Hudson when compared with that to Albany or any place above Hudson, (where the river is impeded by bars, islands and overfalls that render it impossible for fast sailing vessels to pass) he thinks will induce most people who are acquainted with the difference, to take passage to Hudson, where carriages or boats can at all times be had, at a moderate expense, to convey them to Albany, Troy, Lansingburg, or the Lebanon Springs, which are about 50 miles distance.

He is stout made, about 5 feet 4 or 5 inches high; 21 or 22 years of age, of a pleasing countenance; his teeth are broad and white in front. He was bred to the Brick-Making Business, and is acquainted with all its branches. He has taken a number of clothes with him, amongst which were one fine blue cloth coat, with yellow buttons, one yellow nankeen upper jacket, trimmed all round with blue tape, one or two pair of nankeen byralls, one tarpon hat, one fine fur dret; the other part of his clothes cannot be so easily described. It is supposed that he is gone towards Philadelphia, as he was seen on the Philadelphia road the same day that he ran away, and it is supposed that he has procured a forged pass. I will give 20 dollars if taken within 10 miles, and 30 dollars if taken above ten miles and within the state of Maryland, and the above reward if taken out of the state and secured in Baltimore jail, and all reasonable charges.
