HENRY S. Sower & Co. in this city:—He is now happy in having it in his power to add, that the letter is so far completed, as to enable him to promise that the work will be put to press in a few days. And to aid in presenting this valuable work with expedition to subscribers, H. S. K. has united himself in its publication with W. P. CURRIE, for whom the handsome type is casting on which the work is to be printed. In this work, the sacred writings are in the most pleasing and rational manner digested and illustrated, by way of Question and Answer, in which the principal points controverted by modern unbelievers are considered and satisfactorily explained. In a word, the publishers are confident it will prove to its readers a complete repository of useful and entertaining knowledge.
