Hager's-Town Bank,
JULY 23d, 1867.
100 Dollars Reward.
On the 7th inst. (the day on which they were
printed) there was stolen from the printing room
of the Hager's-Town Bank, four half sheets, or
impressions of printed notes, each half sheet
containing 4 notes, viz. one of 100 dollars, one
of 10 dollars, one of 5 dollars, and one post
note, all blank; and as none struck from the
same plate have been issued by the bank,
except eight 100 dollar notes, from No. 1 to
No. 8, inclusive, or will be issued until the
stolen notes are recovered, the counterfeiters
may readily be detected. The 10 dollar and 5
dollar notes are No. C; all of the same denomi-
nation which have been issued, are No. A.
and B. of course no 1 dollar or 5 dollar notes
No. C. are in circulation, but counterfeiters,
or any of 100 dollars, except eight. The stolen
notes are badly executed, being printed by a
person who did not understand the business;
they have a smutty appearance, and two of the
10 dollar notes, which I have seen and which
were detected in Baltimore, are very badly
filled up and signed.
The above reward will be given for appre-
hending and prosecuting to conviction, the
person who has or may forge the filling up and
signatures of any of the said stolen notes, or
who has or may pass any of them with a know-
ledge of the forgery.
N. ROCHESTER, President.

Holy Bible Explained.
HENRY S. KEATINGE returns his sincere
thanks to those who have patronized the
above work, and informs them that a delay
in its publication has arisen in the wish to
furnish the public with the first impression of
an elegant type, now casting at the infant
foundry of Messrs. Sower & Co. in this city:
- He is now happy in having it in his power to
add, that the letter is so far completed, as to
enable him to promise that the work will be
put to press in a few days. And to aid in
presenting this valuable work with expedition
to subscribers, H. S. K. has united himself in
its publication with W. PECHIN, for whom the
handsome type is casting on which the work is
to be printed. In this work, the sacred
writings are in the most pleasing and rational
manner digested and illustrated, by way of
Question and Answer; in which, the principal
points controverted by modern unbelievers,
are considered and satisfactorily explained.
In a word, the publishers are confident it will
prove to our readers a complete repository of
useful and entertaining knowledge.
Subscriptions received at the office
of the American. It will be delivered in seven
numbers, at 25 cents each, or complete, in
boards, at 2 dollars. It will contain 400 pages,
large octavo. The price to non-subscribers
