Land for Sale.

ABOUT 380 acres of Woodland, from nine to ten miles from Baltimore, on the main road to Ellieutt's upper Mills: there is a large quantity of timber and wood on this tract; it is allowed by good judges that it will average considerably more cords of wood per scre, than will pay the price I ask for it, as it stands, without any expence or trouble in cutting. The price of fire wood the last winter, with the increasing scarcity of that article on the tide waters, and near Baltimore, it is thought will make this property of great value in a few years, to one that has the money to spare. The whole may be sold together or had in lots, as may best suit purchasers. One half the money will be required in hand, for the other half two or three years credit will be given. Mahlon Ely, living near the premises, will shew the Land; and the terms made known on application to Joseph Townsend, Baltimore, or ENNION WILLIAMS.

For Sale,

A valuable tract of LAND, lying in Anne Arundel County, in the neighborhood of Elk Ridge, containing 204 acres, between 13 and 14 miles from the city of Baltimore, and 27 from the Federal City, and on the new road contemplated by congress from the latter to the former place. There is upwards of 650 of the above well wooded and inferior to none in its vicinity; the residue is now under cultivation: the soil is adapted to every species of country produce, particularly, for the production of Tobacco. The improvements are a tolerable frame House & Kitchen, a good Barn and Stables, a good Apple and Peach Orchard. Considering the great scarcity of wood and its being near one of the best markets in this state, to with addition of a quantity of Iron Ore thereon, and the coureniency of its situation to the mills and water carriage, where produce max be conveyed from Blk Ridge Landing to Baltimore, renders this land worthy the attention of farmers and others. Also, 30 acres situated on Elk Ridge, adjoining the residence of Mr. Graham, two miles from Spurrier's tavern, on the road from Frederick to Annapolis. Also, between 350 and 400 acres lying in Frederick county, contiguous to William Hobb's, Esq. and part of which joins the turnpike read on both sides - principally standing in wood of a good quality. The soil is surpassed by none in the neighborhood for the production of every description of produce i it is deemed imnecessary to give a further description of the aforesaid lands, as it is presumed those inclined to purchase will view them. The terms will be accommodating and price low. .. For further, particulars please to apply to the aubscriber at the counting bouse of Messrs Samuel and Eli Clagett, Baltimore, or to Mr. Charles Hammond, Elk Ridge, who sutherised to dispose of the same.
