**Mr. Pechin,**  
ON reading your paper, I saw a petition of  
William Suman, which begins thus, that, in  
consequence of a misplaced confidence he is  
obliged to petition. I will ask William Suman  
to be so kind as to state that part of his peti-  
tion, or define his meaning to my satisfaction  
and to the satisfaction of the creditors of  
Suman & Lamb, and to the satisfaction of the  
public in general, or I shall have to step  
forward and lay facts before the whole community  
which otherwise I should have kept and buried  
in oblivion.  
**A SUBSCRIBER.**  
August 7

**Hager's Town Bank,**  
July 23d, 1867.  
**100 Dollars Reward.**  
On the 7th inst. (the day on which they were  
printed) there was stolen from the printing room  
of the Hager's Town Bank, four half sheets, or  
impressions of printed notes, each half sheet  
containing 4 notes, viz. one of 100 dollars, one  
of 10 dollars, one of 5 dollars, and one post  
note, all blank; and as none struck from the  
same plate have been issued by the bank,  
except eight 100 dollar notes, from No. 1 to  
No. 8, inclusive, or will be issued until the  
stolen notes are recovered, the counterfeits  
may readily be detected. The 10 dollar and 5  
dollar notes are No. C. C. all of the same de-  
nomination which have been issued, are No. A.  
and B. of course no 10 dollar or 5 dollar notes  
No. C. are in circulation, but counterfeits, or  
any of 100 dollars, except eight. The stolen  
notes are badly executed, being printed by a  
person who did not understand the business;  
they have a queer appearance, and two of the  
10 dollar notes, which I have seen and which  
were obtained in Baltimore, are very badly  
filled up and signed.

The above reward will be given for appre-  
hending and presenting to conviction the  
person who has been guilty of the filling up and  
counterfeiting of any of the said stolen notes, or  
who has been guilty of any of them with a know-  
ing intent.

July 31

**Holy Bible Explained.**  
**HENRY S. KEATINGE** returns his sincere  
thanks to those who have patronized the  
above work, and informs them that a delay  
in its publication has arisen in the wish to  
furnish the public with the first impression of  
an elegant type, now casting at the infant  
foundry of Messrs. Sower & Co. in this city:  
—He is now happy in having it in his power to  
add, that the letter is so far completed, as to  
enable him to promise that the work will be  
put to press in a few days. And to aid in  
presenting this valuable work with expedition  
to subscribers, H. S. K. has united himself in  
its publication with W. PECHIN, for whom the  
handsome type is casting on which the work is  
to be printed. In this work, the sacred  
writings are in the most pleasing and rational  
manner digested and illustrated, by way of  
*Question and Answer*; in which, the principal  
points controverted by modern unbelievers,  
are considered and satisfactorily explained.  
In a word, the publishers are confident it will  
prove to its readers a complete repository of  
useful and entertaining knowledge.

Subscriptions received at the office  
of the American. It will be delivered in seven  
numbers, at 25 cents each, or complete, in  
boards, at 2 dollars. It will contain 400 pages,  
large octavo. The price to non-subscribers  
will be 2 dollars and 50 cents.
