Hager's-Town Bank,
July 23, 1867.
100 Dollars Reward.
On the 7th inst. (the day on which they were
printed) there was stolen from the printing room
of the Hager's-Town Bank, four half sheets, or
impressions of printed notes, each half sheet
containing 4 notes, viz. one of 100 dollars, one
of 10 dollars, one of 5 dollars, and one post
note, all blank; and as none struck from the
same plate have been issued by the bank,
except eight 100 dollar notes, from No. 1 to
No. 8, inclusive, or will be issued until the
stolen notes are recovered, the counterfeiters
may readily be detected. The 10 dollar and 5
dollar notes are No. C; all of the same deno-
mination which have been issued, are No. A,
and B, of course no 10 dollar or 5 dollar notes
No. C, are in circulation, but counterfeits, or
any of 100 dollars, except eight. The stolen
notes are badly executed, being printed by a
person who did not understand the business;
they have a stumpy appearance, and two of the
10 dollar notes, which I have seen and which
were detected in Baltimore, are very badly
filled up and signed.

The above reward will be given for appre-
hending and prosecuting to conviction, the
person who has or may forge the filling up an
signature of any of the said stolen notes, or
who has or may pass any of them with a know-
ledge of the forgery.
N. ROCHESTER, President.
