**Land for Sale.**  
ABOUT 380 acres of Woodland, from nine to ten miles from Baltimore, on the main road to Ellipott's upper Mills: there is a large quantity of timber and wood on this tract; it is allowed by good judges that it will average considerably more cords of wood per acre, than will pay the price I ask for it, as it stands, without any expense or trouble in cutting. The price of fire wood the last winter, with the increasing scarcity of that article on the tide waters, and near Baltimore, it is thought will make this property of great value in a few years, to one that has the money to spare. The whole may be sold together or had in lots, as may best suit purchasers. One half the money will be required in hand, for the other half term of three years credit will be given. *Mahlon Ely*, living near the premises, will show the Land; and the terms made known on application to *Joseph Townsend*, Baltimore, or to **ENNION WILLIAMS,**
