**A Young Lady,**  
BORN without hands, and with only three toes, on one foot; who is not so much a subject of wonder and admiration for her great ingenuity and elegance for embroidering artificial flowers fit for framing, and in cutting with rich variety and taste, gentlemen's watch papers, as for the peculiar felicity of her disposition and entertaining style of conversation, diffusing gaiety all around her; indeed, her cheerful and sportively engaging aspect at once dispels those painful sensations which the deprivation of her limbs excites in the sympathising breasts of her visitors, which give place to the most felicitous impressions, resulting in an admiration of the unparalleled good sense and cheerful resignation of this young lady to her peculiar lot, which she has rendered by her persevering industry, spirit & wisdom, a supplicious to herself, and a very instructive and consolatory example to the world generally, and to her own sex particularly.

**Land for Sale.**  
ABOUT 380 acres of Woodland, from nine to ten miles from Baltimore, on the main road to Ellicott's upper Mills: there is a large quantity of timber and wood on this tract; it is allowed by good judges that it will average considerably more cords of wood per acre, than will pay the price I ask for it, as it stands, without any expense or trouble in cutting. The price of fire wood the last winter, with the increasing scarcity of that article on the tide waters, and near Baltimore, it is thought will make this property of great value in a few years, to one that has the money to spare. The whole may be sold together or had in lots, as may best suit purchasers. One half the money will be required in hand, for the other half two or three years credit will be given. Mablon Ely, living near the premises, will show the Land; and the terms made known in application to Joseph T. Wiser, Baltimore, or to Selby Mills, 7th no. 9th
