Stop the Thief!
One Hundred Dollars Reward,
FOR apprehending and securing in Baltimore jail, my apprentice boy, named JACOB VANFREISWACK, aged 18 or 19 years, about 5 feet 3 inches high; very stout and strong for his age; fair complexion, and good features; short thick brown hair, inclined to curl; his hands very large. He is a native of Holland, and was bound an apprentice to me on board of the brig George, of Baltimore, in the year 1800, at Rotterdam, from thence he made a voyage with me to Baltimore, and from thence to Amsterdam, and back to Baltimore in 1803. He was at school with Mr. Hargrove, where he remained for several months. He was always a thief, and finally stole a gold ring, and knowing that he would be flogged, he ran away from school, and entered in the United States navy, where he remained 2 or 3 years, and afterwards sailed 1 or 2 voyages out of New York, to Antigua, where he was impressed; and in a few days after, run away from the British man of war. About the 20th of August, 1807, after being gone about 3 years, he returned, expressing much concern for his past conduct, and begged that I would forgive him and take him under my protection again; I consented, and boarded him with Mr. Hagen, on Dugan's wharf; and for 12 days he served as a porter in the store—And on the 2d Sept. whilst I was at breakfast, leaving the store in his charge, he availed himself of the opportunity, broke open my desk, stole 104 dollars, several silver table and tea Spoons, marked S, and a small brass pocket pistol, makers name, Ryan and Watson, London. Jacob can read a little, and sometimes attempts to write, but cannot make his letters plain enough to be understood; when he first came to this country, in 1802, I boarded him with Captain Geese on the Point; and he went to school a few months to Mr. Gardner. He speaks the English language very plain, and has but little of the Dutch dialect: I think that he has forgot the most of his mother tongue. If taken in this state and lodged in Baltimore jail, 50 dollars will be paid; but if taken out of the state and lodged in Baltimore jail, 100 dollars will be paid.
THOMAS SPRIGG,
88, Dugan's wharf.
The editors of the Aurora, Philadelphia—American Citizen, New York—and Herald, Norfolk, are requested to copy this advertisement in their respective papers, to the amount of 3 dollars each, and charge to W. Peckin.

Land for Sale.
THE subscriber intending to remove to the Louisiana country, is disposed to sell his Plantation, eight miles from the city of Baltimore, at the foot of the island of Cornelia Howard, Esq. and Dr. John Cromwell—and within half a mile of major George Beane's tavern, on the Reisterstown turnpike.
The land offered for sale is about 270 acres. 15 acres are now in meadow, and 30 more can easily be made; nearly one fourth of the whole tract is covered with young thriving timber, the residue of arable land, superior to almost any in the neighbourhood, well adapted to the use of plaster, and divided into convenient and well watered fields by good fences.
The improvements are, a good dwelling house, kitchen and out-houses, with a pailed in garden and yard; also, an apple and peach orchard of choice fruit. It is presumed no person will purchase without first viewing the premises; therefore, it is only necessary to remind the public, that its contiguity to the city, on a fine turnpike road, and in a most excellent neighbourhood, renders such a situation rare to be met with, particularly within that distance of Baltimore.
Few men in Maryland can boast of having a more healthy retreat. Those inclined to view the premises, may apply to Mr. Thomas Darlington residing thereon, and for terms of sale, to Dr. Thomas Johnson, Baltimore county, or to the subscriber.
JNO. JOHNSON.
N. B. The above described land will either be sold together, or divided into lots, as may best suit the purchaser, there being several springs of good water, and handsome eminences.
