The Fashionable Complaint.
The public were advertised a few weeks
ago, that the *Fashionable Complaint,* or *Vener-*
real, could be removed, and radically cured,
without any use whatever of **MERCURY.**
I would now respectfully inform the public,
that I have attended to this affair, for three or
four weeks; and have seen the effect of this
new, and, as I conceive, *happier method of cure.*
Cases of every description I have seen, to
all appearance, radically healed. Many old
complaints, which had been treated by mercurial
prescriptions, but which, for some reason
or other, did not prove effectual, have, by this
new method, been entirely healed quite read-
ily. Out of the number of thirty persons,
who have applied for aid, from this *new method,*
some in every stage of the disease, have been,
I really believe, thoroughly cured. I feel the
greatest assurance, that all those who have ap-
plied, and who pay faithful attention to their
directions, either have, or will be safely re-
stored, by *Doctor Henschel's Cordial,* and other
mild prescriptions, to their former state of
health. And I have such confidence in the
candour and integrity of the gentleman who
manages this business in behalf of Dr. H. that
I do not believe he makes use of mercury in
any shape or form. Not pretending to account
for these things, I only state *those facts* which
have occurred within my own knowledge, that
those who may have occasion, might make
what use of them they think proper.
N. B. Any person who may have the curi-
osity to enquire of this affair, any more particu-
larly, will be referred to me, by calling at
Dr. Henschel's Dispensary Office, directly op-
posite **St. Peter's Church,** in German Lane.
