Permanent Museum.

A new Museum is open at No. 6, Water street, which the proprietor intends as a permanent establishment under the title of the " Baltimore Museum,' and respectfully solicits the patronage and liberality of the citizens and others to aid him in the design of rendering this institution inferior to no other in the United States.

The assistance of the curious, either by visits, denations or deposits is, at this time particularly important, as the institution is entirely new, and must for some time labor under all those difficulties and disadvantages to which such establishments are liable. The present collection of articles is very nest and daily increasing.

The terms are two dollars for a year, or 25 cents admittance. The Museum will be open every day and evening. october 9

Dr. Tissor's Gout and Rhe matic Drops.

A fresh supply of this invaluable medicina has just been received by George Dobbin and Murphy, No. 19, Baltimore street, for sale wholesale and retail.

The Cout, Rheumatism, Lumbago and the various disorders of the same nature are so exquisitely painful, and so difficult to be cured, that they have justly excited the utmost stretch of medical investigation—some professiona gentlemen have excelled in one departmen of the science—others in another: Dr. Tis sor particularly has long been renowned for the superiority of his prescriptions in chronical d seases—and the length of time which elapsed during his sole attention to the nature and effects and cure of these affections render the medicines which he recommended of invaluawhile importance. The beneficial effects of these Drops, have been a often experienced and their extraordinary efficiely has been attest of by witnesses so numerous and so u: m. neachably credible, that incredulity itself cannot doubt the virtues of Dr. Tisset's Gout and Rheumatic Drope. Large quantities have already been vended, and the sale is now become so general, and their certainty in curing the disorders of a chronical nature is so complete. ly ascertained, that certificates of their unounded utility are now unnecessary. Testimonies of their value, and a volume of attested cases of the cures performed by them, may be seen upon application at G. Dobbin and Murpty's, No. 10, Baltimore street, Baltimore.

The price of Tissot's Gout Drops, in large phials, is only two dollars per bottle. CF Generous allowance made to those who buy to sell again.

Of the namy respectable testimonials of the effects of the above Drops, which have been received in Baitimore-we beg leave to annex the following.

CERTIFICATE

Of General Ridgely, of Hampton, I certify, that having receive i a blow on my knee, which induced fevere pain and Iwelling. I was advited to apply to Dr. Tiffot's Gour and Rheumatic Drops, and on bathing the part with them only a few times, agreeably to the direclions, they efficied a pertect cure. It ancther time, my writt was affected w h Rheumatiem te such a do ree, as to render , hand tir the time uleiels, when on making applicati it of the fame temedy in tike manner, the dil rder in the course of 24 hours was entirely removed
