St. Mary's College.

GRAND LOTTERY, BALTIMORE,
Authorised by an act of the general assembly of the state of Maryland; the scheme of which Lottery is the most brilliant ever offered to the citizens of the United States, containing, besides a large number of other valuable prizes,

1	prize of	- -	30,000 dollars,
1	do of	- -	15,000
3	do of	- -	10,000
2	do of	- -	5,000
8	do of	- -	1,500
7	do of	- -	1,000

And not two blanks to a prize. The schem contains 21500 tickets. 10,000 of which are actually sold to a company of gentlemen in New-York, to whom the managers have obligated themselves to commence drawing on THURSDAY, *the 31st day of December next.*

To draw 500 tickets per day—and four day's drawing in every week, making 2000 tickets drawn per week, which will complete the drawing in less than eleven weeks.

TICKETS & SHARES are now selling in a variety of numbers, at ten dollars each, at C. & R. WAITE's truly fortunate Lottery Office, *corner of Market and Charles streets, Baltimore.*

From the rapid sale of the Tickets in every part of the union, an advance will shortly be put on them, of which an advertisement will soon appear in the public prints.

The grandeur of the scheme of the above lottery together with an assurance from the managers that the lottery will positively commence drawing on the 31st of *December next*, have been a sufficient inducement for the subscribers to come to the city of Baltimore for the express purpose of facilitating the sale of the Tickets.

G. & R. WAITE.

☞ One of the above firm will personally attend the drawing daily, to take down the numbers correctly, as will also one of their clerks. All prizes sold by G. & R. Waite will be paid by them, and a printed list of all prizes drawn will be published by them and delivered to their customers once a fortnight during the drawing. The next New-York Lottery will not commence till April next.

☞ The Fashionable COMPLAINT,

Cured without the use or terror of
MERCURY!

The frequent unhappy effects of *Mercury* on the constitutions in the cure of the *Venereal* is so well known, that it will require but few words to convince every person of common sense of the propriety of employing other means in this complaint, which are as certainly efficacious without incurring any of the evils attending a course of *Mercury*.

Doctor Herschel's Cordial, together with other mild and safe prescriptions, will thoroughly eradicate the Venereal virus from the constitution leaving it entirely sound, and not only freed from the Venereal poison but from all other impurities of the blood.

This method of treatment is remarkably calculated to remedy and restore all old and imperfect cases of various description, which are commonly occasioned by an improper use of *Mercury* and other circumstances.

Satisfactory evidence can be given that these statements are facts, as have taken place in this and other cities of the United States.

A circular can be had at German Lane, on the south west Point of Church, which stands in Strap it at the sign of the Indian Queen in Market st. where attention will be paid to the cases of this complaint, and wait on persons on behalf of Doctor Herschel, late a resident in London, now in Conestoga.

As to those immediately from the West Indies, from whence there are many applications, Advice will be given on Tuesdays, Thursdays and Saturdays, from 2 till 6 o'clock in the afternoon at a corner room, of a large brick house fronting in the corner of Eutaw and Water streets, on the north side. That are two of the most convenient places for the *Necessary Business* in the city—And where all persons having occasion, may rest assured of safe and effectual treatment.
