The Fashionable COMPLAINT, Cured without any use whatever of MERCURY!

The frequent unhappy effects of Mercury on the constitutions in the care of the Veneral is so well known, that it will require but few words to convince every person of common sente of the propriety of engloying other means in this complaint, which are as certainly efficacious without incurring any of the evils attending a course of Mercury.

Doctor Herichel's Cordial, together with other mild and fafe preferptions, will thoroughly erad cate the Venereal virus from the conflitution leaving itentirely found, and not cally freed from the Venereal poison but from all other purities of the blood.

This method of treatment is remarkably calculated to rectify and reflore all old and imperfest cures of various descriptions, which are commonly occasioned by an improper use of Mercury and other circumitances.

Satisfactory ev dence can be given that these statements are facts and have :aken place in this and other cities of the United States.

Application to be made in German Lane, on the North fide St Peter's Church, which flands in Sharp ft. near the fign of the Indian Queen in Market fl. where a person, who protestes to he masier of this complaint, will wait on per sons in behalf of Doctor Herschel, late a resident in London, now in Constantinople.
