The Fashionable COMPLAINT,
Cured without any use whatever of MERCURY!
The frequent unhappy effects of Mercury on the constitutions in the cure of the Venereal is too well known, that it will require but few words to convince every person of common sense of the propriety of employing other means in this complaint, which are as certainly efficacious without incurring any of the evils attending a course of Mercury.
Doct'r Herfchel's Cordial, together with other mild and safe prescriptions, will thoroughly eradicate the Venereal virus from the constitution leaving entirely found, and not only freed from the Venereal poison but from all other impurities of the blood.
This method of treatment is remarkably calculated to rectify and restore all old and imperfect cures of various descriptions, which are commonly occasioned by an improper use of Mercury and other circumstances.
Satisfactory evidence can be given that these statements are facts and have taken place in this and other cities of the United States.
Application to be made in German Lane, on the North side St. Peter's Church, which stands in Sharp's near the figs of the Indian Queen in Market St. where a person, who professes to be master of this complaint, will wait on persons in behalf of Doctor Herfchel, late a resident in London, now in Constantinople.
Also to accommodate persons on the Point, from whence there are many applicants, attendance will be given on Thursdays, Fridays and Saturdays, from a till 6 o'clock in the afternoon at a corner room, of a large brick house, standing in the corner of Bond and Wilkes Streets, on the north side. These are two the most convenient places for this Fashionable Business in the city—And where all persons having occasion, may rest assured of safe and gradual treatment.
