100 DOLLARS REWARD.

Ran away from the subscriber, on Saturday evening last, Thomas Gill and Daniel Bringman, apprentices to the cabinet making business. Gill is about 20 years of age, about 5 feet 6 or 7 inches high, slender made, and much freckled. He was, previously to being bound to the subscriber, in the service of an officer of the army of the U. States at Fort McHenry, beats the drum remarkably well, and had been admitted by the subscriber to serve in that capacity in the 5th regiment in this city, the emoluments from which he enjoyed, and the profits it afforded it is believed enabled him to abscond.

He took with him a number of cabinet maker's tools; and has in his possession two suits of clothes, one of jeans, the other blue. Bringman is about 19 years of age, about 5 feet 4 or 5 inches high, rather stouter made, and of swarthy complexion, and dark hazel eyes. It is supposed that he was induced to go off by the persuasion of Gill. He also had a suit of jeans and one of blue cloth. If the above apprentices are taken fifty miles from home, fifty dollars will be given for the apprehension of either, or thirty for either, and fifteen of the state one hundred dollars for both, or 75 dollars for either, and all reasonable charges paid if brought home.

If said apprentices will return to their duty, without exciting the subscriber to any further trouble to apprehend them, their fault will be overlooked, and they will be kindly received.
