District of Columbia, for the County of Wash. ington, June Term, 1807.

IN CHANCERY, John Threlkeld, complainant, yersus Henry Fisher, and Czsar Lowry, defendants. The bill states that the complainant was zei-

zed in see simple of a certain lot of Ground, in George Town, that he sold the same to the said Henry Fisher, one of the defendants, for a valuable consideration, on the payment of which, the said complainant by his bond of conveyance, agreed to convey the same to the said Fisher-that sail bond was executed in November seventeen hundred and ninety seven, at the time the said Fisher passed his bond to the said complainant, for the payment of one hundred paulids, being the consideration for the said property—that the said Fisher has never since paid any part, either principal or interest of said purchase money—that the said Fisher hath assigned his interest in the said bond of conveyance to Casar Lowry, the other desendant-that neither Fisher nor Lowry liath paid any part of the same, althor the said complainant hath offered to convey the same to the said Lowry, on payment of the purchase money aforesaid, which the said Lowry refused to do. The object of the bill is, to compel a compliance with the contract aforesaid of the said Fisher. It is represented by the said complainant that the said Fisher heth eloped or a sconded from the District of Commbia, to some distant part of the United States, out of the jurisdiction of any process of this court. It is therefore ordered that the complainant produce a copy hereof to be inserted in the American, in Balaimore, for six successive weeks, requiring the appearance of the defendant, Fisher, in this Court on the fourth Monday in December next.

nov. lo NUMBER ONE.

The first Number of the "WEEKLY REGISTER OF POLITICES AND NEWS," is just published, and may be had (gra. tie) at the Book-Store of Messra. Warner and Hanna, corner of Gay and Market-streets, where subscriptions will (for the present) be received for the same.

It is deemed unnecessary to dwell on the plan of the work, as the first Number will sufficiently explain that. It may, however, be proper to remark, that it is intended as a national paper, will be conducted (without any exception whatever) in a decorous manner, and in a way to render it interesting to all classes of society.

As this is not intended as an ordinary, catch-penny publication, the editor invites an examination of the first Number; and, if approved, the general patronage of the community.

The work will form two handsome volumes in the course of twelve months, to which a title page and copious index will be furnished semi-annually. To the other subjects which the plan embraces will be added the insertion of all interesting maritime law cases; the pages being sufficiently capacious for the purpose.] will be found on examination, from the great quantity of matter which the work will necessarily embrace, that it will be one of the cheapest publications in the
