Prize Shooting.

Or the proper Exercise for Volunteers.
FINN, ever studious to promote the public good, and his own too, has conceived a plan for maturing the military talents of the newly raised volunteer soldiery of this city. He has appropriated an area of 160 feet in length, where every Saturday and Monday, from three o'clock until sunset, he invites the attention of every ambitious soldier to instruct himself in the science of sharp shooting at a man-like target, when prizes will be distributed agreeably to the respective merits of the candidates. Every man can prime, load, cock and draw a trigger—but surely he is the best soldier who can spend his ammunition to the best advantage. In order, therefore, to promote a system of this indispensable part of a soldier's education, the advertiser has made the above arrangement. Prizes will consist of shoes, boots, hats, greece and turkeys, with many other articles too tedious to mention; and on the first day of January, 1868, a gold medal of the value of twenty dollars will be awarded to the best shooter of the day. Those who may not have their guns at hand can be accommodated on the spot; but it is expected that every gentleman will bring his own gun.
WM. FINN.
N. B. Flints, powder and ball will be furnished by the subscriber at the gardens of the battis.

Circuit Court,

District of Columbia, for the Court of Washington, June Term, 1867.
IN CHANCERY.
John Threlkeld, complainant, versus Henry Fisher, and Cesar Lowry, defendants.
The bill states that the complainant was seized in fee simple of a certain lot of Ground, in George Town, that he sold the same to the said Henry Fisher, one of the defendants, for a valuable consideration, on the payment of which, the said complainant by his bond of conveyance, agreed to convey the same to the said Fisher—that said bond was executed in November seventeen hundred and ninety seven, at the time the said Fisher passed his bond to the said complainant, for the payment of one hundred pounds, being the consideration of the said property—that the said Fisher has never since paid any part, either principal or interest, of the said bond of conveyance, and that the said complainant has been obliged to pay the same to Cesar Lowry, the other defendant—that neither Fisher nor Lowry hath paid any part of the same, although the said complainant hath offered to convey the same to the said Lowry, on payment of the purchase money aforesaid, which the said Lowry refused to do. The object of the bill is, to compel a compliance with the contract aforesaid of the said Fisher. It is represented by the said complainant that the said Fisher hath eloped or absconded from the District of Columbia, to some distant part of the United States, out of the jurisdiction of any process of this court. It is therefore ordered that the complainant procure a copy hereof to be inserted in the American, in Baltimore, for six successive weeks, requiring the appearance of the defendant, Fisher, in this Court on the fourth Monday in December next.
By order,
