To the Public.
AFTER sustaining one of the most black-hearted persecutions that any American ever experienced; and robbed of every chance of doing any thing for myself or the community, for eight years, the prime of life, merely to gratify the malignant and vindictive disposition of a few evil and viper bred minds; I think, in all conscience, if my enemies had any, they would let me rest; but being informed that some of them have had the audacity, in defiance of truth or common decency, to assert that I have embezzled largely—upwards of one thousand dollars for fines and forfeitures due by my regiment, which I assert to be false and malicious; and to support the veracity of my assertion, I challenge a full and fair investigation. Perhaps those wise-acres ought to know that these fines are put into the hands of the Sheriff for collection, and must come through the hands of a pay-master. There is none at present belonging to the regiment. My returns are in the office of the Adjutant General, to which is annexed that of my captain, which will show how much money has been paid over to me. As to the 79 dollars I have received as fines I will cheerfully account for when I receive sixteen dollars more as fines and forfeitures. Thank God, I am able to refute any charge, worthy of notice, public or private, that can be made against me by any man of character, for none else will be attended to. Whither my enemies will have courage and honesty to do the same is doubtful to many as well as

RICHARD CULVERWELL
Returns his friends and the public at large his sincere thanks for their past favors in his line as an auctioneer, which he has carried on in the city and precincts of Baltimore for near 20 years, and hopes still to meet with the same encouragement in future, as he always studied to give general satisfaction to sellers and buyers, and by his long experience is well versed in the above line of business, in which he still will endeavor to please. No. 1. A Tract of excellent limestone Land, situate in Nittany Valley, Centre county, at the head of Cedar Springs, containing 400 Acres; of which 2 are in Meadow, and about 20 more can be easily made: There are 80 acres cleared, and fit for Cultivation; the residue well timbered; chiefly Blackoak, Whiteoak, Hickory, &c. The Buildings are, a log House, Kitchen, and Barn. This Land lies in a good neighborhood, and on each side of the Postroad leading from the Susquehanna to Belmont the County town.

No. 2. Containing about 300 acres, situate on the west Branch of the Susquehanna River, in Carlisle county, adjoining the County town. This Land was surveyed at an early period, and for fertility of Soil, and other advantages exceeded by none in that part of the County.

No. 3. Two Lots of Ground, with their Improvements thereon, situate in the main Street, in the Borough at Carlisle, opposite the Tavern of Robert Gialon, Esq. one of which is a corner Lot. The Improvements on these Lots being very valuable, were formerly occupied as a Tavern. Indisputable Titles, free of every Incumbrance, will be made to the Purchaser; and on paying one half the Purchase money, the residue will be divided into easy Payments.

Also, one other Tract of about 200 Acres, on Pinecreek, Locoming county; on which is a never-failing Stream of water, for Grind or Sawmill.

For Sale.
THE subscribers offer for sale the following PROPERTY, at private sale, until Thursday, the 31st day of December next—
Rumney Farm, situate in Bush River Neck, Harford County, bounded by Bush River on the west and by Rumney on the east, both navigable rivers—containing 500 acres of the best Land in the state of Maryland. The Stock on said Farm, consisting of Negroes (men, women and boys) Horses, Mules, Oxen, Milch Cows, Hogs, Sheep, Farming Utensils, Corn, Wheat, &c. will be sold therewith, or separately, as may suit the purchaser.

One unimproved moiety of a Tract of Land, situate also in Bush River Neck and about two miles below Rumney Farm, called Sheppard's Good Friendship, said to contain about 100 acres. The whole of this last Tract is Wood Land, and lies very convenient to navigation on every side.

Monreal, lying within 3, 4 and 5 miles of the head of Bush River, and containing 561 acres. The whole of this Tract is also Wood Land, and very heavily timbered. A considerable part of it is covered with Hickory, which might be advantageously conveyed to the Baltimore market. The rapid increase of this city of Baltimore and the increasing scarcity of wood within its vicinity, render this land worthy the attention of the speculator. It will be sold in one body, or laid off in lots, as may suit purchasers.

A part of Nova Scotia, containing 130 acres, being part of the Tract formerly in the possession of Barney Riley, and adjoining Mr. John Fulton's, situate within two miles of the head of Bush River, and is altogether covered with Wood—Hickory, Oak, and Chestnut. The proximity of this Land to navigation, the quantity of Wood growing on it, and consequently the easy conveyance of it to Baltimore market, will insure to the purchaser a handsome remuneration for all his advances.

A few acres of Land, adjoining Mr. Parker Gilbert's land, and being part of the same Tract. The number of acres not yet ascertained. This Land lies on the post road, between Bush and Havre de Grace, and will be more particularly described when surveyed.

And lastly, two Brick Houses, in Bush-town, with one Lot of Ground, containing about two acres. Should not the aforesaid Property be disposed of at private sale, it will be exposed to public vendue—viz.

At Rumney, on Thursday, the 31st day of December next, Rumney Farm, with all the Stock thereon (Negroes excepted)—Also, Sheppard's Good Friendship.

And at Bush-town, on Monday, the 4th day of January next, at the house of Messrs. Welch and Lee, the remainder of the above described Property. A liberal credit will be given for the purchase money, the purchaser giving bonds with satisfactory security for the amount, with interest, payable annually. Attendance will be given and terms of sale made known by
