

CHANCERY SALE.

BY virtue of authority derived from the Honorable Theodore Bland, Chancellor of Maryland, I will offer at public sale at Church Creek on

Saturday the 30th instant

between the hours of 10 and 2 o'clock, all that large two story dwelling house and lot, situated in Church Creek formerly occupied by William C. Crisp, in his lifetime as a residence, and now in the occupancy of the Rev'd Mr. Harris. This property combines all the advantages of a healthy and beautiful residence, having all the necessary out buildings, a fine garden, and what is particularly desirable, a well of good water. To an experienced physician, the location and the property offer inducements seldom to be met with.

The terms of sale being left to the discretion of the trustee, he will make them agreeable to the purchaser. Upon the payment of the entire purchase money, the trustee is authorized to convey to the purchaser the said property free, clear and discharged of all incumbrances whatever.

If desired, the lots will be sold separate from the dwelling house and garden.

Notice.

THE late Sheriff & Collector, John H. All those indebted to him for officers fees, county charges, or direct taxes, having frequently been requested to settle the same, are now informed that the time for all indulgence is past and that those who do not come forward and settle without any further notice will find themselves very disagreeably situated. FARMERS' PLOUGHS

FOUNDRY.

WHEAT MACHINES,

ever offered to the public on this Shore. Their superiority over other machines consists in *simplicity and strength*, which will enable us to repair them with perfect safety. Notwithstanding there are numerous Machines used in this county, it is a well known fact that they are too liable to become injured and broken from trivial causes, arising from their complicated construction. The Machines we now offer to the public have been tested by a number of experienced Farmers both on the Western and Eastern Shore, and have invariably given general satisfaction.

They would also call the attention of the public to their extensive assortment of

PLOUGHS,

Plough Castings—Mill Castings, &c.

Their assortment of Ploughs embraces a great variety, viz:

WILSON'S Self Sharpening, DAVIS, SINGLARE & MOORE, CROSWORTH, BEACH,

Beach Improved, BERNARD, COULTER, WILEY, PATENT CYCLOIDAL Plough.

THE merits of most of the above Ploughs are already well known; but the Wiley and Patent Cycloid are well known; but the Wiley and Patent Cycloid have been recently introduced by us on this Shore as a valuable acquisition to the Farmer. The Patent Cycloid, in 1842, took the first premium at the Agricultural Exhibition, near Georgetown, Baltimore county, Md., over numerous competitors, comprising some of the most celebrated Ploughs of Pennsylvania, New York and Maryland. All our Ploughs are stocked of the best timber, and warranted to run well. We are also prepared to do

CASTING & WROUGHT WORK

of every description at the shortest notice, and at city prices. We respectfully solicit the patronage of the public and invite them to an examination of our stock.

HUSSEY & HOPKINS.

N. B.—Persons having machines to repair will please bring them in as early in the spring as possible, so as to give full time to do the work in a proper manner.

TO THOSE INDEBTED.

THE time is near at hand for us to make our Spring purchases which cannot be well done without money. We therefore take this mode of calling upon all owing us to make arrangements for an early payment. The necessity of their so doing cannot be but obvious to each and every one and we really hope that no one will disregard it. Should there be any however who will pay no attention to the settlement of their accounts we can only say to them that we shall make such use of their paper as may best suit our purpose.
