CONSUMTIVE SYMTOMS.

The inflammatory stage of this disease is generally indicated by alternate changes in the temperature of the voice, saltish taste in the mouth, pain in the breast lood. After some time the mutter expectorated is of different colors, sometimes attended with a disagreeable and offensive smell. The hoctic fever increases, aften ded with burning in the hands and lower extremities now lives, let it be known or called by whatever name becomes dry, the eyes sink deep within their cavisies, contraction is felt at the pit of the stomach, and the whole functions of the animal economy grow languid, and are unable to perform their proper offices, and the patient pays the debt of nature.

The Compound Syrap of Hoarhound is a medicine aritable to persons of all ages and sexes, and if taken on. the appearance of the first symptoms, will in nine cases out of ten afford relief and effect a speedy cure.
