THIS MOST POPULAR OF ALL MEDICINES has truly gained the confidence of the many thou sauds of sufferers who have used it, in many forms of disease, with UNFAILING SUCCESS. The following complaints have always been cured when the Stainburn Pills have been taken according to

the directions which accompany each box:--Coughs and Colds, Dyspepsia, Rheumatism. Costiveness. Billous Complaints, Fever and Ague, Scrofula, Liver Complaints, Biles.

A vast number of communications have been received by the proprietor, each proving a cure of some of Cholic. the above diseases, and which might here be introduced, would space permit, but it is hoped the following will be sufficient to place beyond all doubt THEIR CURATIVE VIRTUE:

From Dr. Reed, of Virginia Norfolk, June 12, 1844. Dr. Stainburn-Sir: Since I last wrote you, I have asen several persons who have been using the Vegetable Extract Pills, and in every case they have proved themselves worthy the name they bear. A young man by the name of John Forsythe, had been wast- | dy here, now able to attend to her domestic concerns, ing away in a seated consumption for several years, and by using the Extract Pills for about two weeks, his cough, pains, &c., left him entirely, and he is now so well as to be about his ordinary business. Indeed sir, from the rapidity of the sales, the value of your pills may be safely discerned. I am entirely out, have daily calls for them, and wish you would forward tue more as soon as possible.

A TRULY WONDERFUL CURE. WATERVILLE, Oneida Co., N. Y. Sept. 15, 1843. Dear Sir-I owe it to the afflicted to inform you that in January last I was attacked by a very violent cold, caused by working in the water, which settled on my lungs. It was accompanied by a very severe pain in my breast and sides, and also a distressing cough. I had in attendance all the best medical aid in our vil lage; but after exhausting all their skill to no avail. use the BALSAM OF WILD CHERRY, prepared by Dr. WISTAR. I purchased of the Agent in our place one bottle, before using half of which I began to gain strength, and it was very evident my cough was much better, and my symptoms in every way impro ving. I have now used three bottles, and am restored to perfect health. This result is alone owing to the use of Dr. WISTAR'S BALSAM OF WILD CHER-RY; and I take this method of giving you the iulorina tion, partly to pay you the debt of gratitude I owe you, and partly that others similarly afflicted may know where to apply for relief.

Such is the unprecedented success of this BALSAM "Nature's Favorite Prescription;" a prescription congeniel to our wants, as it is prepared from chemical extracts from substances which the A. Williams, Esq., Attorney, &c., New York, cured Author of nature has placed in our own land for wise of spasmodic asthma of 25 years' standing, certified to purposes, that many who know nothing of the mode of its preparation are endeavoring to reap pecualary benefits by selling an article similar in name, or in and pearance, or by representing their own trash as superior country, which is not the case. All these deceptive arts go to show that WISTAR'S BALSAM is known to the world to be "THE GREAT REMEDY," and that to sell any mixture it must be like this in name, or purport, to be like it in substance.
