### ANNAPOLIS.

On Friday Night last died, in Prince George's County, Mr. Gabriel Parker, Son to Col. Parker of Calvert County. His Death was occasioned by a slight Wound received from a Squib, which accidentally hit him on the jugular Vein; it was taken no Notice of for some time, but at length growing worse, the Vein broke, by which means he bled to Death. He was a young Gentleman very well esteemed, had been lately married, and died much lamented.

Last Monday a Sailor belonging to the Ship *Frederick*, then lying in South River, wading from the Shore to lay hold of a Boat that was going adrift, fell into deep Water, and was drowned: His Body was taken up soon after.

On Tuesday came on the Election of Representatives to serve in the next General Assembly for Anne Arundel County; when Mr. Thomas Worthington, Dr. Charles Carroll, Philip Hammond, Esq; and Major Henry Hall, were elected without Opposition.

The following beneficial and approved Receipts, are made known for the advantage of the Public.

### A Receipt to make INDIAN SALVE:

TAKE the inside Bark of Sweet Gum (from the North side near the Root) burn it to a Coal, beat or pound it in a Mortar, and sift it through a fine hair Sifter; mix that Powder with Deer or Mutton Sewet (but Deer Sewet is the best, and for want of either Tallow will do) which when cold, will be as hard as Pitch: When you use it put it on a Plate over some Coals, make it as warm as you can well endure, then lay it on the Sore and all the Parts inflamed, half a quarter of an Inch thick. As often as you dress it, scrape Chalk fine, and lay all over the Sore, then put the Salve as aforesaid over the Chalk: In 12 Hours the Chalk will run like Water, and cause the rough Humour, rotten or proud Flesh, to come easily away, without Pain, and will cleanse the Sore, and make it as white as a Curd, and put it in a fine healing way.

### To make SASSAFRAS WATER:

TAKE the inside Bark of an old Sassafras (from the North side near the Root) put a good quantity to two quarts of Spring Water, and boil it half away; then strain off the Water; and put to this Water one Gill of Rum, and two Ounces of Alum; put it in a Bottle, and shake it very well, and keep it for use.

N. B. Every Time when you dress the Sore, wash it well with this Water, very Warm. It both cleanses the Sore, dries away Humours, and Heals.
