

Annapolis, August 7, 1746.

DESERTED from the Company now sailing by the Subscriber, for the intended Expedition against Canada, the five following Men; *viz.*

John Pritchard, an elderly Man, about 40 Years of Age, wears his own Hair, is thin visaged, slow of Speech, and is very poorly clothed; and is supposed to be gone towards *Blanketky* to his Friends.

Christopher Bumgardner, a High Dutch-man, a short young Fellow, speaks broken *English*; had on reddish colour'd Cloaths, made *Dutch* Fashion, Leather Breeches, a pair of Trowfers, a good Hat, and home-spun Shirts.

BY a late Act of Assembly in *Virginia*, a public Ferry is erected at the Plantation of *William Clifton*, in *Fairfax* County; where all Persons may be assured of a ready Passage over *Potomack* River, and good Entertainment for Man and Horse; and as the River is narrower in that part than below it may reasonably be allowed the most convenient and short Road from *Annapolis* to *Williamsburg*; the Distance as followeth: *viz.* From *Annapolis* to *South River* Ferry 4 Miles, to *Queen-Anne* 9, to *Marlborough* 9, to *Broad Creek* 16, to said *Clifton's* Ferry in *Virginia* 2, to *Occquan* Ferry 16, to *Acquia* 18, to *Fredericksburg* Ferry 16, to *Carolina* Court-House 20, to *Burk's* Ordinary 13, to *Newcastle* 27, to *New-Kent* Court-House 20, to *Frenicauz* Ordinary 14, to *Williamsburg* 16; in all 200 Miles. Although the Distance, in the above Road, from *Annapolis* to *Williamsburg* is something greater than the common Computation; yet as the great River *Potomack* is so narrow at this Place, and passable almost in all Weather, it may justly be accounted the readiest Way.

ALL Persons indebted to *Benjamin Tasker*, Esq; and Company, by Dealings at the *Baltimore* Iron-Works, are desired to make Payment, to the Subscriber, at the said Works, by the first Day of *October* next; otherwise they may depend on being Troubled, without any further Notice.

Signed per Order of the said Company,
