NEW-YORK, October 19,

By Capt. Woodside, who arrived here yesterday in 11 days from Providence, we have an account of a violent hurricane there on the 1st instant, in which all the vessels in that harbour, being 35 sail, were drove on shore, and many of them entirely lost, very few escaping without considerable loss: A privateer Half-Galley belonging to that Place, with about seventy hands on board, was entirely destroyed, and all the men drowned except 2 or 3 Negroes.

From Albany we learn, that the Forces posted at Saratoga abandoned that Post about a Fortnight ago, and after setting it on fire, retreated with all the Cannon and Stores to Albany.

PHILADELPHIA, October 21.

By a private Person who arriv'd here last Night from New-York, we learn, that on Friday last arriv'd there a Vessel from Liverpool, in about 5 Weeks, who brings Advice, that there had been a most Engagement between the Allied Army in Flanders, under the Command of his Royal Highness the Duke of Cumberland, and the French Army, wherein the Duke got the Victory, and killed the French 10,000 Men. We are also informed that the Spanish Man of War that was engaged some time ago by the Warwick Man of War, as lately mentioned, is taken by some of Admiral Warren's Fleet, and reckoned the richest Ship taken in this War.
