We have advice from New Brunswick, that on Monday morning last abundance of dead fish appeared floating down Raritan river, which increased till next day, when numbers of them were drove ashore, and began to putrify; and 'tis imagin'd, that if the inhabitants don't speedily take measures, either to burn or bury them, they may cause such a stench as may produce diseases:—'Tis conjectur'd that the excessive hot weather of the day before, has occasioned their destruction, as we have since heard, that many died at the same time in Elizabeth-Town Creek.

ANNAPOLIS.

On Monday Evening last we had here a great deal of Rain, accompanied with Lightning and Thunder. A Chimney in Town was split by the Lightning, from the Top down to the Chamber-Floor; the Room was fill'd with a strong Smell of Sulphur; and a young Child stunn'd for a while, without any other Hurt.
