The Subject of the French Players having almost engrossed the  
profitable Attention of the Town, it is thought proper to submit  
the following Queries to the Consideration of the Public.

1. Whether the French, by way of Satisfaction for sending  
their last Company of *Minutemen* back, in so supple a  
manner, may not, by some secret Article in the late glorious  
Treaty, have expressly stipulated for a free Settlement of one of  
their *Stage-actors* in this Kingdom (for the Cause)?

2. Whether to reimburse any *Minutemen* but *Minutemen* may have ex-  
pressly stipulated for the *theatrical* heroes may  
not have been sent *Provincials*, for the *Bohne* Poi of their  
*Grand Monarch*?

3. Whether it is either the Case, any *Minutemen* these *Stage*  
*actors* may not induce our Neighbours to explain it into an  
Assertion of the State, and think themselves at Liberty to dis-  
pute with every other Article of it, to previously negotiated for  
the *State*, as well as *Minutemen*, of *Great Britain*?

4. Whether, in sending our French Company, either on the  
one side, or in this Nation, it is not equally just to  
send another before the *theatrical* of a *Stage*; and may it not  
be a *Provincials* to account for *English* Hostages being in  
a French *Stage*, and *French* *Stage* in an *English* *Stage*, at the same  
point of time?

5. Whether by some *lucky* *Cartel* we may not, for once, have  
over-reach'd our French by obtaining this *useful* body of *Pro-*  
*vincials* in exchange for a *useless* body of our former sent *Minutemen*?

6. Whether we may not soon expect a like *Group* of *Spanish*  
*Minutemen* in return for our *Manufacturers* lately exported into  
that Kingdom?

7. Whether, if a body of *English* *Officers* should appear arm'd  
in support of this *theatrical* *Stage*, it would not look like *dra-*  
*goning* or *help* of *French* *Interests*; and might not be de-*mand*ed  
for *the* *theatrical* *Stage*?

8. Whether the Legislature did not, a few years since, think it  
necessary to limit the number of playhouses, altho' the *Pro-*  
*vincials* of our *Stage* *theatrical* *Stage* was sacrific'd to that re-  
gulation?

9. Whether licensing these *foreign* *vagabonds* is not then direct-  
ly opposing the Sense of the Legislature, catching a *foreigner* on  
the spoils of a *native*, and may not in a literal sense of the words  
be deemed *Liberal* *and* *useful*?

N. B. We have the following melancholy account from  
Betsy, in the County of Wicklow, in Ireland: Two or three  
brothers, being sent on an errand a small distance off, were, in  
their return, home, benighted, and so unhappily lost their way,  
they were missing the five following Days, and at last discover'd  
by means of a Gentleman's dog, who was sporting. The  
condition they were found in, might yield a very moving and  
affecting Scene, they lay side by side, one already perished,  
the other on the point of perishing, who yet retain'd just life  
enough to caution the gentleman against waking his brother,  
who, he intently said, had slept ever since yester-day morn-  
ing. His weakness rendered him incapable of being relieved,  
so that he expired soon after.

Elizabeth Burdett, wife to a poor Man, of Ripley,  
is sorry without a husband, brought forth three little girls,  
which were buried in the Church on Sunday 19, and baptized.

The Bishop's affairs continue very bad; and even antimi-  
car the ministers themselves, by drawing out into the ocean  
The French seem uneasy that a free trade is not permitted  
between them and us, and talk of a misunderstanding as not im-  
possible on that account.

On the 14th of this Instant, Elizabeth Cary was executed in Carlisle  
County, pursuant to his Sentence, for being concerned in the  
Murder of William Maffey, High Sheriff; and the Circumstances  
proved true; and which had his death by force might have  
proved his Life.

Margaret Maffey, Widow of the Deceased, is now in the  
Court of that County; and is to receive her second Trial on  
Friday the 5th
