

the Squirrel of North-Yarmouth, William Toy, commander, from Maryland for London, with 513 hogheads of tobacco on board. She came on shore yesterday morning, and as soon as she struck the ground, fell to pieces, and every hoghead floated off to sea; several of them have been since driven on shore; but immediately stove to pieces; and I am afraid very little can be saved, fit for any thing.

The master, his two mates, eight of his men, and a woman passenger, were drowned.

Extract of a letter from Lyme, Feb. 3.

Wednesday last a ship belonging to the French king, of about 400 tons burthen, loaded with timber, called, La Carpe, Michael Bural commander, from Havre de Grace to Brest, was lost between Burton and Abbotbury. The country people, to the number of near 2000, came down with hatchets, &c. and cut down all the masts, yards, rigging and sails, broke open the cabin, carried away five hogheads of wine, took all the master's chests, cloaths, some silks and linnens, barrels of herrings, and every thing they could remove. They are the same fellows that plundered the money ship that came on shore there about six months ago. I have also an account of a ship with 7000l. worth of woollens; from Exon to Cadiz, being lost this morn in Cornwall.

ANNAPOLIS.

On the 3d of last Month, George Mason, Esq; of Virginia, was married to Miss Anne Eilbeck, Daughter of Mr. William Eilbeck, Merchant, in Charles County in this Province; a young Lady of distinguishing Merit and Beauty, and a handsome Fortune.

Last Week died in Baltimore County, in the 54th Year of his Age, after a long and lingering Indisposition, Dr. George Buchanan, one of the Representatives, and for above 20 Years a Magistrate, of that County; a Gentleman of a fair honest Character.

Capt. Adam Spencer is just arrived in Patuxent River, from London; and Capt. John Sedgwick, in the Ship *Friendship*, in Severn, where he will lie for a few Days to deliver some Goods for this Place, and then go to Patuxent.

They have both had pretty good Passages, and bring Advice of the Arrival at London of the Captains Biggs, Marshal, Glover, Judd, Johnson, and Shastoe, from this Province.

We have no News of the *Virginian*, Capt. Beutler, who is still supposed to be lost.

Capt. Toy, in the *Squirrel*, who sailed from hence last December, was lost off *Weymouth*, as mentioned above.

Capt. Hicks, in the Ship *Great-Britain* (who loaded in Patuxent last Spring), was lost in a Voyage from Riga to London.

In a Letter from London, dated in March, a Gentleman writes, that several Ships, who sailed from hence in October, were missing.

Last Saturday a Boat with five Men in her, overset within *Greenbury's Point*, but the People were all happily saved; the Ballast being Casks of Water, prevented her from sinking.

The same Day ended the Provincial Court, and adjourned to the second Tuesday in September next.

On Tuesday next, the General Assembly of this Province will meet here.
