

Garrison and carried all off; but the Englishman and Woman happily escaped them. A Party of Soldiers were immediately ordered out, but could not overtake them after 48 Hours march.

May 27. By Capt. Folger in five Weeks from London, we have a Print of the 15th of April, wherein is an Account of the Death of the King of Sweden, who the Day before he died, express'd his great Satisfaction as to the Prince Successor, and that the present King of Sweden, immediately after his Accession to the Crown, wrote a Letter with his own Hand to the Emperour of Russia, signifying his sincere Desire to live in the most perfect Friendship with her.

The two Fellows committed to our Goal about a Week ago, on Suspicion of murdering the Master and Crew of a Schoor near Maryland as mentioned in our last, who went by the Names of Newton and Jones, have since made a free and ample Confession of their Guilt, and will be sent to Maryland to be tried, the Fact being committed within a Mile of the Shore, and *infra Corpus Comitatus*. They say their right Names are W. Sutton and G. Wilson.

NEW-YORK, May 20.

By Letters from Capt. Meriwer, late of the Brig Sarah, of this Port, bound from South Carolina for Holland, of the 11th of March last, we have the following Account of the Loss of that Vessel, viz. She sailed from South Carolina the 15th Day of January last, and three Days after, sprung a Leak, which kept both Pumps constantly going;—the 6th of February they saw a Ship which was not able to assist them; and in the Night the Wind blowing hard, they lost sight of her; they then endeavoured to get into Bermudas, having six Feet of Water in her Hold, but were not able: On the 13th of February the Water gained on them to 10 Feet, when being spent at the Pumps, they were obliged to take all Hands to the Boat, and the Vessel sunk in their Sight, in a few Minutes after:—In the Afternoon a Ship very providentially appeared in their sight, bound to Amsterdam, which took them all up, and carried them safe there, except a Boy, who was washed overboard six Days before they left the Brig.

June 3. Yesterday being the Day appointed by Authority for entering into Mourning in this Province for the Death of His Royal Highness FREDERICK Prince of WALES, the same was observed here with a becoming Reverence and Decency: Sermons suitable to the Occasion were preached at Trinity Church, and in the Presbyterian Meeting; and their respective Pulpits hung in Mourning.

ANNAPOLIS.

Last Wednesday, Jacob Windsor, who had been convicted at late Special Court in Queen-Anne's County, was there executed pursuant to his Sentence. He was Transported from England to America for 14 Years, and had been four Times whipp'd and Pillory'd, once for stealing a Bible. By a Law pass'd here at the late Session of Assembly, the Death of one Convicted Person is made good and valid against others; but against no other Person whatever: This will doubtless bring to Light many works of Darkness, that otherwise might have been committed and pass'd off with Impunity for want of Evidence.

A Special Court of Oyer and Terminer and General Goal delivery is now sitting here. Yesterday Thomas Poney was indicted for Felony and Burglary; found guilty of the Felony, and of the Burglary; and sentenced to be burnt in the Hand. On Thursday Lucas was tried for Burglary, found guilty, and is sentenced to be hanged. They are both Englishmen, and were Transported hither for Felonies by them there committed a few Years ago.

The Commissioners for this Province, for running the Line between this and Pennsylvania, set out this Morning from Annapolis, to meet those of that Government in one of our lower Counties.

THE Proposal for erecting a Charity School in St. Peter's Parish, Talbot County, meets with vast Encouragement, not only in this Province, where many worthy Gentlemen and Ladies have generously contributed towards it; but in ENGLAND, where upwards of 100*l.* Sterling has been collected by the pious Care and Application of the Rev. Dr. WILSON, Sub Almoner to his Majesty, and the Rev. Dr. STEPHEN HALES, who are considerable Benefactors to this excellent Design.

The Plan has already been published in this Paper, No. 282, and is re printed, together with an Account of the Subscriptions and Benefactions to the 30th of October last, at the End of a Sermon preached on the occasion, by the Rev. THOMAS BACON, Rector of St. Peter's Parish, and is to be sold for the Benefit of the intended School, of which public Notice will be given in this Paper, and where they may be had.

Thanks are hereby returned to the worthy Subscribers and Benefactors; and all others who are willing to encourage the bringing up of Poor Children in Honesty, Industry, and the Fear of GOD, and giving them such an Education as may enable them to be useful Members of the Community, are invited to follow the laudable Example of the first benevolent Contributors.

It may be proper to observe that the Sums already subscribed and given, are too considerable to admit the least doubt of a failure in the Execution of this good Design; and the Trustees are of such unexceptionable Fortunes and Characters, that the Benefactors may depend on the due Application of their Charities in the best and most prudent Manner.

The Trustees are Mr. WILLIAM GOLDSBOROUGH, Mr. JOHN GOLDSBOROUGH, Mr. MATTHEW TILGHMAN, the Rev. Mr. JOHN GORDON, Mr. ROBERT GOLDSBOROUGH, and Mr. ROBERT LLOYD; and their Treasurer is Mr. JAMES DICKINSON, of Dover on Choptank, Merchant.

An annual Account will be published of the Benefactions and Progress of this Charitable Scheme, in which every Subscriber or Contributor will see the Application of his pious Contributions.

The Scholars are to be employed in useful Labour, and inured to early Industry as well as taught to read, write, and account; and are to be supplied with Cloathing, Lodging, Diet, and all the necessaries of Life, during their continuance in the School, and afterwards are to be put out to Apprenticeships or Service, as may best conduce to their own Benefit and the good of the Province. May Almighty God whose kind Providence has hitherto supported and advanced this Scheme in a most extraordinary Manner, continue to protect and cherish it, that under his Guidance it may be brought to such perfection as may encourage others to attempt the like in different Counties, to the Glory of his Name, the Increase of Piety, Industry, and Honesty among us, and the general Welfare of the Province of MARYLAND.

Charles County, May 20, 1751.

WHEREAS several Gentlemen last Year, living on Patuxent and Potowmack Rivers, did subscribe and oblige themselves to Ship a certain Quantity of Tobacco to LONDON, in any Ship whereof Mr. SAMUEL THOMSON should come in Master to this Country, and consign the Tobacco so Shipped to Mr. PETER FEARON, Merchant, in LONDON: These are therefore to acquaint those Gentlemen, That I have received Letters from the said Mr. PETER FEARON, dated February the 9th, last past, desiring me to give this Public Notice; That upon the Strength of those Subscriptions he has given Mr. THOMSON a Ship under his command, called the ELIZABETH, which Ship was to sail from LONDON some Time in March last, and he hopes those Gentlemen who were kind enough to Subscribe, will get their Tobacco ready, as Capt. THOMSON may be daily expected in Patuxent River.
