THE Proposal for erecting a Charity School in St. PETER'S Parish, Talbot County, meets with vast Encouragement, not only in this Province, where many worthy Gentlemen and Ladies have generously contributed towards it; but in ENGLAND, where upwards of 100*l*. Sterling has been collected by the pious Care and Application of the Rev. Dr. WILSON, Sub-Almoner to his Majesty, and the Rev. Dr. STEPHEN HALES, who are considerable Benefactors to this excellent Design.

The Plan has already been published in this Paper, N^o. 252, and is re printed, together with an Account of the Subscriptions and Benefactions to the 30th of October last, at the End of a Sermon preached on the occasion, by the Rev. THOMAS BACON, Rector of St. PETER'S Parish, and is to be sold for the Benefit of the intended School, of which public Notice will be given in this Paper, and where they may be had.

Thanks are hereby returned to the worthy Subscribers and Benefactors; and all others who are willing to encourage the bringing up of Poor Children in Honesty, Industry, and the Fear of God, and giving them such an Education as may enable them to be useful Members of the Community, are invited to follow the laudable Example of the first benevolent Contributors.

It may be proper to observe that the Sums already subscribed and given, are too considerable to admit the least doubt of a failure in the Execution of this good Design; and the Trustees are of such unexceptionable Fortunes and Characters, that the Benefactors may depend on the due Application of their Charities in the best and most prudent Manner.

The Trustees are Mr. WILLIAM GOLDSBOROUGH, Mr. JOHN GOLDSBOROUGH, Mr. MATTHEW TILGHMAN, the Rev. Mr. JOHN GORDON, Mr. ROBERT GOLDSBOROUGH, and Mr. ROBERT LLOYD; and their Treasurer is Mr. JAMES DICKINSON, of *Dover* on *Choptank*, Merchant.

An annual Account will be published of the Benefactions and Progress of this Charitable Scheme, in which every Subscriber or Contributor will see the Application of his pious Contributions.

The Scholars are to be employed in useful Labour, and inured to early Industry as well as taught to read, write, and account; and are to be supplied with Cloathing, Lodging, Diet, and all the necessaries of Life, during their continuance in the School, and afterwards are to be put out to Apprenticeships or Service, as may best conduce to their own Benefit and the good of the Province. May Almighty God whose kind Providence has hitherto supported and advanced this Scheme in a most extraordinary Manner, continue to protect and cherish it, that under his Guidance it may be brought to such perfection as may encourage others to attempt the like in different Counties, to the Glory of his Name, the Increase of Piety, Industry, and Holiness among us, and the general Welfare of the Province of MARYLAND.
