MISCELLANEOUS NOTES. Thomas Boylan's milk-shake was well patronized It was one of the features of the fair and supplied a want felt by those who were thirsty. Mrs. James N. Henderson, agent for the Domestic Sewing Machine, has a bower of beauty tastefully decorated with machine work, &c., that is one of the attractions of the household department. Among the miscellaneous articles is an improv ment in carriage and wagon curtains, the invention of Mr. R. D. Morris, the well known lawyer, of Lutherville. The curtains have a handy attaching apparatus, and they are bound to prove of utility. Undoubtedly the happiest man on the grounds was Mr. Wm. B. Sands, who, after serving so many years in the combined capacity of Secretary, Treasnrer, Clerk of the Course, and General Manager, beamed with satisfactian at being free from his for-mer cares and at liberty to see in detail a fair which he had never before had leisure to inspect, and who expressed his delight at the displays, the splends weather and the gratifying attendance. Mr. Sands was the founder of the Agricultural Society, and naturally regards its success with a paternal pride. RDER OF PUBLICATION. BHADRICK W. TIPTON, GEORGE R. MOWELL AND THOMAS W. DAVIS, JAMES BEATTY AND FREDERICK HEBB

IN EQUITY. IN THE CIRCUIT COURT FOR BALTINORE COUNTY. The object of this suit is to have a deed executed y James Beatty to Alexander Hebb on the 4th day of January, 1888, for about two hundred and forty acres of land set aside as fraudulent and void as against Beatty's creditors, and to have the land so conveyed subject to the payment thereof.

The bill states that each of the complainants was a creditor of James Beatty at the time of the execution of the said deed; that he declared it to be his purpose to deed away his property to keep some of his creditors from making their claims against him; that he was largely indebted at the time when he made the deed, and the object of it was to defrand, hinder and delay his creditors. The bill further alleges that the consideration named in the deed from Beatty to Hebb was not bona fide, but false and pretended, and that the said Hebb had knowledge of Beatty's financial condition at the time he took the deed, and thereby aided him in his fraulent purpose. That the said Frederick Hebb is a non-resident of the State of Maryland. It is therefore this 19th day of August, 1890, ordered by the Circuit Court for Baltimore County, in Equity, that the plaintiff, by causing a copy of this order to be inserted in some newspaper published in Baltimore county, once in each of four successive weeks, before the 22d day of September, 1890, give notice to the said absent defendant of the object and substance of this Bill, warning him to appear in this Court in person or by solicitor.
