

for ascertaining the bounds of Land.

of the bounds, because a certainty is to be preferred before an uncertainty, but what land he shall include by his Survey clear of other tracts he may hold for ever by virtue of his first Warrant; and the like shall be adjudged in all parallel cases where no tree is to be found, if the owners shall think it any advantage by saving his Warrants, but then after such Survey he shall not pretend to his former Survey any more for ever; yet if any such markt tree was said to begin in the point of a fork at the mouth of a creek or such other place which is as it were a natural beginning, there is no tree is found yet if the place is certainly known and proved, a Jury shall find a point or prick to begin at most agreeable to the description in the certificate of Survey or Grant of the same, no evidence admitted to prove a markt tree where the Record expresses none.

And lastly, Be it further Enacted &c. that if any controversy happen about the bounds of land, whereof there is no parallel within this Act, the Provincial Court shall not give judgment thereto, but it shall be put to the Assembly to be determined by an Act and to be made a precedent for the future.
